SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of This Information Collection:

1 *Type of Information Collection:* Extension of a currently approved collection.

2 *The Title of the Form/Collection:* OJJDP NTTAC Feedback Form Package.

3 *The agency form number:* OJJDP NTTAC, all forms included in package #1121–0277.

4 *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Individuals or households.

Other: Federal Government, State, local or Tribal government; Not-for-profit institutions; Businesses or other for-profit.

Abstract: The Office of Juvenile Justice and Delinquency Prevention National Training and Technical Assistance Center (NTTAC) Feedback Form Package is designed to collect in-person and online data necessary to continuously assess the outcomes of the assistance provided for both monitoring and accountability purposes and for continuously assessing and meeting the needs of the field. OJJDP NTTAC will send these forms to technical assistance (TA) recipients; conference attendees; training and TA providers; online meeting participants; in-person meeting participants; and focus group participants to capture important feedback on the recipients' satisfaction with the quality, efficiency, referrals, information and resources provided and assess the recipients' additional training and TA needs. The data will then be used to advise NTTAC on ways to improve the support provided to its users; the juvenile justice field at-large; and ultimately improve services and outcomes for youth.

5 *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 4,756 respondents will complete forms, and

the response time will range from .03 hours to 1.5 hours.

6 *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 430.5 total annual burden hours associated with this collection.
