

SUMMARY: Announcement regarding states triggering “on” to the Second-Tier of Emergency Unemployment Compensation (EUC08).

Public Law 110–449 created a Second-Tier of benefits for qualified unemployed workers claiming benefits in high unemployment states. The Department of Labor produces a trigger notice indicating which states qualify for the Second-Tier of EUC08 benefits and provides the beginning and ending dates of the Second-Tier period for each qualifying state. The trigger notice covering state eligibility for the Second-Tier of the EUC08 program can be found at: http://ows.doleta.gov/unemploy/claims_arch.asp. A new trigger notice is posted at this location each week that the program is in effect.

Beginning February 15, 2009, the following states are in a high unemployment period, resulting in their triggering “on” to the Second-Tier of the EUC08 program: Montana and Vermont.

Information for Claimants

The duration of benefits payable in the EUC program, and the terms and conditions under which they are payable, are governed by Public Laws 110–252 and 110–449, and the operating instructions issued to the states by the U.S. Department of Labor. The State Workforce Agency in states beginning a high unemployment period, will furnish a written notice of potential entitlement to each individual who is potentially eligible for Second-Tier EUC08 benefits.

Persons who believe they may be entitled to additional benefits under the EUC08 program or who wish to inquire about their rights under the program should contact their State Workforce Agency.
