Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of

information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (301) 443–7978.

Evaluation of the CSAP Underage Drinking Prevention Public Education Program

—New—SAMHSA's Center for Substance Abuse Prevention (CSAP) is launching the Underage Drinking Prevention Public Education Program, which is a public education program designed to educate 9–13 year old children about the harms of alcohol use and to support parents/caregivers as they monitor and participate in their children's activities. The ultimate goal of the program is to reduce underage alcohol use among young people. Elements of the program include media messages (such as public service announcements on television and radio) and education of children and their adult caregivers through materials and community events.

To determine the likely effectiveness of the program, CSAP is planning to conduct an evaluation. The evaluation will determine whether the program can produce measurable change in communities that receive training and technical assistance on implementing the program, plus funds to customize materials for those communities. The evaluation will assess change in knowledge, attitudes, and behavior among those exposed to the program. Ten treatment and five comparison communities will be selected for study. Data for the evaluation will be collected through a baseline telephone survey and through four follow-up telephone surveys of adult-child dyads. The estimated response burden is shown in the table that follows.

Data collection	Number of respondents	Frequency of response	Hours per response	Total response burden (hrs.)
Baseline telephone survey of adult-child dyads	12,600 adults	1	0.2	2,520
	3,780 adults ^a	1	0.2	756
	12,600 youth	1	0.2	2,520
Parent-only interviews ^b	630 adults	1	0.2	126
Years 1–4 follow-up telephone survey of adult-child dyads.	12,000 adults	4	0.2	9,600
	3,600 adults ^a	4	0.2	2,880
	12,000 youth	4	0.2	9,600
Parent-only interviews	600 adults	4	0.2	480

Data collection	Number of respondents	Frequency of response	Hours per response	Total response burden (hrs.)
State department of education	10	1	0.25	3
Local school district	15	1	0.25	4
School principal	60	1	0.25	15
School contact	60	2	0.5	60
Total	25,345			28,564
4-yr. annual average	25,236			7,141

^a The parent interview is 12 minutes long and the child interview is 12 minutes long. The burden estimates assume that 30% of parents interviewed stay on the telephone to monitor the child's interview and that the remainder of parents do not.

^b This number represents an estimated 5% of adult respondents who complete the parent interview but decline to have the child interviewed.

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Allison Herron Eydt, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: September 23, 2002.

Richard Kopanda,

Executive Officer, SAMHSA.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4730-N-39]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Mark Johnston, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist

the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (this is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of

interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: AIR FORCE: Ms. Barbara Jenkins, Air Force Real Estate Agency (Area-MI), Bolling Air Force Base, 112 Luke Avenue, Suite 104, Building 5683, Washington, DC 20332-8020; (202) 767-4184; GSA: Mr. Brian K. Polly, Assistant Commissioner, General Services Administration, Office
