(1) To carry out activities under the Firewise Communities program.

(2) To reimburse the participating county for emergency services performed on Federal land and paid for by the participating county.

(3) To develop community wildfire protection plans in coordination with the appropriate Secretary.

This information collection will identify the participating county and the year in which the expenditures were made, and will include the name, title, and signature of the certifying official, and the date of the certification. The certification will include a statement that all expenditures were for proposals that had a publication and comment period, and were submitted to any resource advisory committee for the county, as described in section 302(b) of the Act.

This information will be collected in the form of conventional correspondence such as a letter, and at the respondent's option, attached tables, or similar graphic display. At the respondent's discretion, the information may be submitted by hard copy, and/or electronically scanned, and included as an attachment to electronic mail.

The determination of the appropriate certifying official is at the discretion of the county or borough and will vary depending on county or borough organization. For unorganized boroughs in Alaska, the appropriate State official may provide the information.

The Forest Service, U.S. Department of Agriculture, and the Bureau of Land Management, Department of the Interior, will collect this information from counties that participate in Title III of the State payment made by the Forest Service and the Bureau of Land Management as described in the Act. Under the Act, responses are required by February 1, following each year Title III funds are expended. The first response is required by February 1, 2010, for funds expended in calendar year 2009. Because the authority to obligate county funds under Title III expires September 30, 2012, most of the expenditures are expected to be made by the following year, and the certifications concerning those expenditures would be required by February 1, 2014. The information will be reviewed by the respective Secretary, or designee, to verify that participating counties have certified that Title III funds were expended as authorized in the Act.

Estimated Annual Burden per Respondent: The estimated time required for each response is 24 hours per year, including an estimated 20 hours for collection and 4 hours for preparation and submission.

Type of Respondents: Respondents are county officials.

Estimated Annual Number of Respondents: 360.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 8,640 hours.

	Counties responding to the USDA Forest Service	Counties responding to the Department of the Interior
Estimated Annual Number of Responses	344	16
Estimated Burden Hours per Response	24	24
Estimated Total Annual Burden Hours	8,256	384

This table includes 13 counties in Oregon that will be required to make separate reports to the Department of Agriculture and to the Department of the Interior because those counties receive separate payments from each Department.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce (DOC) will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of Economic Analysis (BEA).

Title: Survey of Ocean Freight Revenues and Foreign Expenses of United States Carriers (BE–30) and Survey of U.S. Airline Operators' Foreign Revenues and Expenses (BE–37).

OMB Control Number: 0608–0011.

Form Number(s): BE–30 and BE–37.

Type of Request: Extension of a currently approved collection.

Burden Hours: 864 (BE–30: 560 hours; BE–37: 304 hours).

Number of Respondents: 54 per quarter; 216 annually (BE–30: 35 per quarter; 140 annually; BE–37: 19 per quarter; 76 annually).

Average Hours per Response: 4.

Needs and Uses: The BEA is responsible for the compilation of the U.S. international transactions accounts (ITAs), which it publishes quarterly in news releases, on its Web site, and in its monthly journal, the *Survey of Current Business*. These accounts provide a statistical summary of all U.S. international transactions and, as such, are one of the major statistical products of BEA. In addition, they provide input into other U.S. economic measures and accounts, contributing particularly to the National Income and Product Accounts. The ITAs are used extensively by both government and private organizations for national and international economic policy formulation and for analytical purposes. The information collected in these surveys is used to develop the "transportation" portion of the ITAs. Without this information, an integral component of the ITAs would be omitted. No other Government agency collects comprehensive quarterly data on U.S. ocean carriers' freight revenues and foreign expenses or U.S. airline operators' foreign revenues and expenses.

These surveys request information from U.S. ocean and air carriers engaged in international transportation of goods and/or passengers. The information is collected on a quarterly basis from U.S. ocean and air carriers whose total annual covered revenues or total annual covered expenses are, or are expected to be, $500,000 or more. U.S. ocean and air carriers whose total annual covered revenues and total annual covered expenses are, or are expected to be, each below $500,000 are exempt from reporting.

Affected Public: Business or other for-profit organizations.

Frequency: Quarterly.

Respondent's Obligation: Mandatory.

Legal Authority: The International Investment and Trade in Services Survey Act, 22 U.S.C. 3101–3108, as amended.

OMB Desk Officer: Paul Bugg, (202) 395–3093.

Copies of the above information collection proposal can be obtained by writing Departmental Paperwork Clearance Officer, Diana Hynek, Department of Commerce, Room 7845, 14th and Constitution Avenue, NW., Washington, DC 20230, or via e-mail at *dHynek@doc.gov*.

Send comments on the proposed information collection within 30 days of publication of this notice to Paul Bugg, OMB Desk Officer, via e-mail at *pbugg@omb.eop.gov*, or by FAX at 202–395–7245.

Dated: September 8, 2009.
