Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof From France, Germany, Italy, Japan, Romania, Singapore, Sweden, and the United Kingdom; Preliminary Results of Antidumping Duty Administrative Reviews, Partial Rescission of Administrative Reviews, and Notice of Intent to Revoke Orders in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty Administrative reviews, partial rescission of Administrative Reviews, and notice of intent to revoke orders in part.

SUMMARY: In response to requests from interested parties, the Department of Commerce is conducting administrative reviews of the antidumping duty orders

on antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Romania, Singapore, Sweden, and the United Kingdom. The merchandise covered by these orders are ball bearings and parts thereof, cylindrical roller bearings and parts thereof, and spherical plain bearings and parts thereof. The reviews cover 35 manufacturers/exporters. The period of review is May 1, 1998, through April 30, 1999.

We are rescinding the reviews for 14 other manufacturers/exporters because the requests for reviews of these firms or types of bearings were withdrawn in a timely manner.

We received four requests for revocation of various orders in part. We preliminarily intend to revoke two orders in part and do not preliminarily intend to revoke two other orders in part (see *Intent to Revoke and Intent Not to Revoke* below).

We have preliminarily determined that sales have been made below normal value by various companies subject to these reviews. If these preliminary results are adopted in our final results of administrative reviews, we will instruct U.S. Customs to assess antidumping duties on all appropriate entries.

We invite interested parties to comment on these preliminary results. Parties who submit comments in these proceedings are requested to submit with each argument (1) a statement of the issue and (2) a brief summary of the argument.

EFFECTIVE DATE: April 6, 2000.
