Foreign Agricultural Service

Title: Regional Agricultural Promotion Program.

OMB Control Number: 0551–0049.

Summary of Collection: The authority for the Agricultural Trade Promotion Program (ATP) is contained in the authority derived from the Commodity Credit Corporation (CCC) Charter Act, 15 U.S.C. 714c(f)—Specific Powers of Corporation. Program regulations were necessary to establish this new CCC program. The ATP reimburses trade mitigation activities undertaken by nonprofit U.S. agricultural trade organizations, nonprofit state regional trade groups (SRTGs), U.S. agricultural cooperatives, and state agencies that conduct approved foreign market development activities and suffered damages as a result of tariffs imposed on U.S. agricultural products in 2018/2019.

The program is administered by personnel of the Foreign Agricultural Service (FAS) and is republishing the 30dayFRN to account the name change for this program from Agricultural Trade Promotion Program to Regional Agricultural Promotion Program. Lastly, for this reason, the prior published 30day FRN unknowingly overlapped with the published 60dayFRN.

Need and Use of the Information: The information collected is used by FAS marketing specialists and program managers for the allocation of funds, program management, planning, and evaluation. The integrity of the program hinges on information received from or maintained by the industry.

Description of Respondents: Not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents: 67.

Frequency of Responses: Recordkeeping; Reporting: On occasion; Annually.

Total Burden Hours: 38,684.
