

provisions of the Regulatory Flexibility Act relating to an initial regulatory analysis, 5 U.S.C. 603–604, did not apply to the proposal because the amendments, if promulgated, would not have a significant economic impact on a substantial number of small entities. The Commission believed that the proposed amendments would impose no additional obligations, penalties, or costs. The amendments simply would allow covered companies to use a new generic name as an alternative to an existing generic name for that defined subclass of fiber, and would impose no additional labeling requirements. To ensure, however, that no substantial economic impact was overlooked, the Commission solicited public comment in the NPR on the effects of the proposed amendments on costs, profits, competitiveness of, and employment in small entities. 67 FR 7104, at 7109 (Feb. 15, 2002).

No comments were received on this issue. Accordingly, the Commission hereby certifies, pursuant to the Regulatory Flexibility Act, 5 U.S.C. 605(b), that the amendments promulgated today will not have a significant economic impact on a substantial number of small entities.

V. Paperwork Reduction Act

These amendments do not constitute “collection[s] of information” under the Paperwork Reduction Act of 1995, Pub. L. 104–13, 109 Stat. 163, 44 U.S.C. chapter 35 (as amended), and its implementing regulations, 5 CFR 1320 *et seq.* Those procedures for establishing generic names that do constitute collections of information, 16 CFR 303.8, have been submitted to OMB, which has approved them and assigned them control number 3084–0101.

List of Subjects in 16 CFR Part 303

Labeling, Textile, Trade Practices.

VI. Text of Amendments

For reasons set forth in the preamble, 16 CFR part 303 is amended as follows:

PART 303—RULES AND REGULATIONS UNDER THE TEXTILE FIBER PRODUCTS IDENTIFICATION ACT

1. The authority citation for part 303 continues to read as follows:

Authority: Sec. 7(c) of the Textile Fiber Products Identification Act (15 U.S.C. 70e(c)).

2. In § 303.7, paragraph (c) is amended by adding a sentence at the end, to read as follows:

§ 303.7 Generic names and definitions for manufactured fibers.

* * * * *

(c) * * *
Where the fiber is formed by the interaction of two or more chemically distinct polymers (of which none exceeds 85% by weight), and contains ester groups as the dominant functional unit (at least 85% by weight of the total polymer content of the fiber), and which, if stretched at least 100%, durably and rapidly reverts substantially to its unstretched length when the tension is removed, the term *elasterell-p* may be used as a generic description of the fiber.

* * * * *

By direction of the Commission.

Donald S. Clark,
Secretary.

DEPARTMENT OF STATE

22 CFR Part 42

[Public Notice 4185]

Documentation of Immigrants—Visa Classification Symbols; Correction

AGENCY: Department of State.

ACTION: Correction of final rule.

SUMMARY: This document makes corrections to the final rule published on August 29, 2002 (67 FR 55319). The regulation made changes to the Department’s table of immigrant visa classification symbols.

EFFECTIVE DATE: This rule is effective November 27, 2002.

FOR FURTHER INFORMATION CONTACT: Pam Chavez, Legislation and Regulations Division, 202–663–1206.

SUPPLEMENTARY INFORMATION: The Department of State published a final rule (Public Notice 4092) in the **Federal Register** of August 9, 2002, (67 FR 55319) amending § 42.11 by inadvertently substituting the word “child” for “orphan.” in the definition of the IR4 category on the visa classification table. This correction removes that amendment published on August 9, 2002, and revises the AM1 category under the heading “Section of law” to read “584(b)(1)(C),” not “584(b)(2)(C).”

In rule FR Doc. 02–20090 published on August 29, 2002 (67 FR 55319), make the following correction. On page 55320, in the table to § 42.11:

a. In the entry for IR4, remove “Child” and add “Orphan” in its place; and

b. In the entry for AM1, remove “584(b)(2)(C)” and add “584(b)(1)(C)” in its place.

Dated: November 19, 2002.

Timothy Egert,

Federal Register Liaison, Department of State.

22 CFR Part 121

[Public Notice 4209]

RIN AB–60

Amendment to the International Traffic in Arms Regulations, United States Munitions List

AGENCY: Department of State.

ACTION: Final rule.

SUMMARY: The Department of State is revising Category V—Explosives, Propellants, Incendiary Agents, and Their Constituents and Category XIV—Toxicological Agents and Equipment and Radiological Equipment, of the U.S. Munitions List (USML). Amendments are made to the titles of both categories to better reflect the items included in the category and to move the texts of the definitional and interpretive provisions to the appropriate category. Also, to assist exporters, Category V and XIV are reformatted to identify the items by their predominant use. Exporters are also being provided Chemical Abstract Service (CAS) numbers and Chemical Weapons Convention (CWC) references. In addition to reformatting and changes in the language for clarification, Category XIV and Category V are revised to move from the USML to the jurisdiction of the Department of Commerce several items that have been identified as having predominantly commercial application and no significant military applicability. The items so transferred in Category XIV are fluorine, liquid pepper and chloropicrin. The items so transferred in Category V are nitroguanidine (NG), guanidine nitrate, compounds composed of fluorine and one or more of the following: Other halogens, oxygen, nitrogen, and propyleneimide 2-methylaziridine, unless the articles are compounded or mixed with any item controlled by the USML.

EFFECTIVE DATE: November 27, 2002.
