

Border Protection (CBP) of the initiation of these circumvention inquiries and direct CBP to continue the suspension of liquidation of entries of products subject to the circumvention inquiries that were already subject to the suspension of liquidation under the *Orders* and to apply the cash deposit rate that would be applicable if the products were determined to be covered by the scope of the *Orders*. Should Commerce issue preliminary or final circumvention determinations, Commerce will follow the suspension of liquidation rules under 19 CFR 351.226(l)(2)–(4).

Notification to Interested Parties

In accordance with 19 CFR 351.226(d) and section 781(b) of the Act, Commerce determines that the AKCA's requests for these circumvention inquiries satisfies the requirements of 19 CFR 351.226(c). Accordingly, Commerce is notifying all interested parties of the initiation of these two circumvention inquiries to determine whether: (1) U.S. imports from Vietnam of wooden cabinets and vanities from China, which are further processed in Vietnam and include Vietnamese components, are circumventing the *Orders*; and (2) U.S. imports from Malaysia of wooden cabinets and vanities from China, which are further processed in Malaysia and include Malaysian components, are circumventing the *Orders*. In addition, we included a description of the products that are the subject of these inquiries, and an explanation of the reasons for Commerce's decision to initiate these inquiries as provided above and in the accompanying Circumvention Initiation Memorandum. In accordance with 19 CFR 351.226(e)(1), Commerce intends to issue its preliminary determination no later than 150 days from the date of publication of the notice of initiation of these circumvention inquiries in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

Background

On April 14, 2022, Commerce published in the **Federal Register** its affirmative final determinations on the less-than-fair-value (LTFV) investigations of raw honey from Argentina, Brazil, India, and Vietnam.¹

¹ See *Raw Honey from Argentina: Final Determination of Sales at Less Than Fair Value and Final Affirmative Determination of Critical Circumstances*, 87 FR 22179 (April 14, 2022); *Raw Honey from Brazil: Final Determination of Sales at Less Than Fair Value*, 87 FR 22182 (April 14, 2022) (*Brazil Final Determination*); *Raw Honey from India: Final Determination of Sales at Less Than Fair Value and Final Negative Determination of*

On May 27, 2022, the ITC notified Commerce of its final determinations, pursuant to section 735(d) of the Tariff Act of 1930, as amended (the Act), that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of LTFV imports of raw honey from Argentina, Brazil, India, and Vietnam, and of its determinations that critical circumstances exist with respect to dumped imports of raw honey from Vietnam and do not exist with respect to dumped imports of raw honey from Argentina.²

Scope of the Orders

The product covered by these orders is raw honey from Argentina, Brazil, India, and Vietnam. For a complete description of the scope of these orders, see the appendix to this notice.

Antidumping Duty Orders

On June 3, 2022, in accordance with section 735(d) of the Act, the ITC published in the **Federal Register** its final determinations in these investigations, in which it found that an industry in the United States is materially injured by reason of imports of raw honey from Argentina, Brazil, India, and Vietnam.³ Therefore, in accordance with sections 735(c)(2) and 736 of the Act, Commerce is issuing these antidumping duty orders. Because the ITC determined that imports of raw honey from Argentina, Brazil, India, and Vietnam are materially injuring a U.S. industry, unliquidated entries of such merchandise from Argentina, Brazil, India, and Vietnam, entered or withdrawn from warehouse for consumption, are subject to the assessment of antidumping duties.

Therefore, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise, for all relevant entries of raw honey from Argentina, Brazil, India, and Vietnam. With the exception of entries occurring after the expiration of the provisional

Critical Circumstances, 87 FR 22188 (April 14, 2022) (*India Final Determination*); and *Raw Honey from the Socialist Republic of Vietnam: Final Affirmative Determination of Sales at Less Than Fair Value and Final Affirmative Determination of Critical Circumstances*, 87 FR 22184 (April 14, 2022) (*Vietnam Final Determination*).

² See ITC's Letter, Investigation Nos. 731–TA–1560–1562 and 731–TA–1564 (Final), dated May 27, 2022.

³ See *Raw Honey from Argentina, Brazil, India, and Vietnam*, 87 FR 33831 (June 3, 2022).

measures period and before publication of the ITC's final affirmative injury determinations, as further described below, antidumping duties will be assessed on unliquidated entries of raw honey from Argentina, Brazil, and India entered, or withdrawn from warehouse, for consumption, on or after November 23, 2021, the date of publication of the *Preliminary Determinations* in the **Federal Register**.⁴ As further described below, antidumping duties will be assessed on unliquidated entries of raw honey from Vietnam entered, or withdrawn from warehouse, for consumption, on or after August 25, 2021, which is 90 days prior to the date of publication of the *Vietnam Preliminary Determination*.⁵

Critical Circumstances

With respect to the ITC's negative critical circumstances determination on imports of raw honey from Argentina, we will instruct CBP to lift suspension and to refund any cash deposits made to secure the payment of estimated antidumping duties with respect to entries of the subject merchandise from Argentina entered, or withdrawn from warehouse, for consumption on or after August 25, 2021 (*i.e.*, 90 days prior to the date of the publication of the *Argentina Preliminary Determination*), but before November 23, 2021 (*i.e.*, the date of publication of the *Preliminary Determinations*).

Regarding Vietnam, the ITC found that critical circumstances exist with respect to imports subject to Commerce's affirmative critical circumstances finding within the meaning of section 735(b)(4)(A) of the Act. As a result of Commerce's affirmative critical circumstances determination under section 735(a)(3) of the Act, and the ITC's affirmative critical circumstances determination under section 735(b)(4)(A) of the Act, retroactive duties will be applied to the relevant imports for a period of 90 days prior to the suspension of liquidation.⁶ Therefore, in accordance with section 736(a)(1) of the Act, Commerce will

direct CBP to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of raw honey from Vietnam. Antidumping duties will be assessed on unliquidated entries of raw honey from Vietnam for Ban Me Thuot Honeybee Joint Stock Company, Daklak Honeybee Joint Stock Company, the eligible separate rate companies, and the Vietnam-wide entity entered, or withdrawn from warehouse, for consumption on or after August 25, 2021, which is 90 days prior to the date of publication of the *Vietnam Preliminary Determination*, in accordance with the critical circumstances finding in the *Vietnam Final Determination*. Antidumping duties will not be assessed on any entries occurring after the expiration of the provisional measures period and before publication of the ITC's final affirmative injury determinations, as further described below.

Continuation of Suspension of Liquidation

Except as noted in the "Provisional Measures" section of this notice, in accordance with section 736 of the Act, Commerce will instruct CBP to continue to suspend liquidation on all relevant entries of raw honey from Argentina, Brazil, India, and Vietnam. These instructions suspending liquidation will remain in effect until further notice.

Commerce will also instruct CBP to require cash deposits equal to the estimated weighted-average dumping margins indicated in the tables below. Accordingly, effective on the date of publication in the **Federal Register** of the notice of the ITC's final affirmative injury determinations, CBP will require, at the same time as importers would normally deposit estimated duties on subject merchandise, a cash deposit equal to the rates listed below. For Argentina, Brazil, and India, the relevant all-others rate applies to all

producers or exporters not specifically listed. For Vietnam, the Vietnam-wide entity rate listed below applies to all exporters not specifically listed.

Provisional Measures

Section 733(d) of the Act states that suspension of liquidation pursuant to an affirmative preliminary determination may not remain in effect for more than four months, except where exporters representing a significant proportion of exports of the subject merchandise request that Commerce extend the four-month period to no more than six months. At the request of exporters that account for a significant proportion of exports of raw honey from Argentina, Brazil, India, and Vietnam, Commerce extended the four-month period to six months in these investigations. Commerce published the *Preliminary Determinations* on November 23, 2021.⁷

The extended provisional measures period, beginning on the date of publication of the *Preliminary Determinations*, ended on May 21, 2022. Therefore, in accordance with section 733(d) of the Act and our practice,⁸ Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, unliquidated entries of raw honey from Argentina, Brazil, India, and Vietnam entered, or withdrawn from warehouse, for consumption after May 21, 2022, the final day on which the provisional measures were in effect, until and through the day preceding the date of publication of the ITC's final affirmative injury determinations in the **Federal Register**. Suspension of liquidation and the collection of cash deposits will resume on the date of publication of the ITC's final determinations in the **Federal Register**.

Establishment of the Annual Inquiry Service Lists

¹⁰ For the final determination, Commerce found that Ambrosia Natural Products (India) Private Limited is affiliated with two additional companies, Ambrosia Enterprise, and Sunlite India Agro Producer Co. Ltd., within the meaning of section 771(33) of the Act and, further, found that these companies should be treated as a single entity, pursuant to 19 CFR 351.401(f). See *India Final Determination*.

notice titled “*Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions*” in the **Federal Register**.¹² The *Final Rule* and *Procedural Guidance* provide that Commerce will maintain an annual inquiry service list for each order or suspended investigation, and any interested party submitting a scope ruling application or request for circumvention inquiry shall serve a copy of the application or request on the persons on the annual inquiry service list for that order, as well as any companion order covering the same merchandise from the same country of origin.¹³

In accordance with the *Procedural Guidance*, for orders published in the **Federal Register** after November 4,

¹² See *Scope Ruling Application; Annual Inquiry Service List; and Informational Sessions*, 86 FR 53205 (September 27, 2021) (*Procedural Guidance*).

¹³ *Id.*

2021, Commerce will create an annual inquiry service list segment in Commerce’s online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS), available at <https://access.trade.gov>, within five business days of publication of the notice of the order. Each annual inquiry service list will be saved in ACCESS, under each case number, and under a specific segment type called “AISL-Annual Inquiry Service List.”¹⁴

¹⁴ This segment will be combined with the ACCESS Segment Specific Information (SSI) field which will display the month in which the notice of the order or suspended investigation was published in the **Federal Register**, also known as the anniversary month. For example, for an order under case number A-000-000 that was published in the **Federal Register** in January, the relevant segment and SSI combination will appear in ACCESS as “AISL-January Anniversary.” Note that there will be only one annual inquiry service list segment per case number, and the anniversary month will be pre-populated in ACCESS.

Interested parties who wish to be added to the annual inquiry service list for an order must submit an entry of appearance to the annual inquiry service list segment for the order in ACCESS within 30 days after the date of publication of the order. For ease of administration, Commerce requests that law firms with more than one attorney representing interested parties in an order designate a lead attorney to be included on the annual inquiry service list. Commerce will finalize the annual inquiry service list within five business days thereafter. As mentioned in the *Procedural Guidance*, the new annual inquiry service list will be in place until the following year, when the *Opportunity Notice* for the anniversary month of the order is published.

Commerce may update an annual inquiry service list at any time as needed based on interested parties' amendments to their entries of appearance to remove or otherwise modify their list of members and representatives, or to update contact information. Any changes or announcements pertaining to these procedures will be posted to the ACCESS website at <https://access.trade.gov>.

Special Instructions for Petitioners and Foreign Governments

In the *Final Rule*, Commerce stated that, "after an initial request and placement on the annual inquiry service list, both petitioners and foreign governments will automatically be placed on the annual inquiry service list in the years that follow."¹⁵

Accordingly, as stated above, the petitioners and foreign governments should submit their initial entry of appearance after publication of this notice in order to appear in the first annual inquiry service list for those orders for which they qualify as an interested party. Pursuant to 19 CFR 351.225(n)(3), the petitioners and foreign governments will not need to resubmit their entries of appearance each year to continue to be included on the annual inquiry service list. However, the petitioners and foreign governments are responsible for making amendments to their entries of appearance during the annual update to the annual inquiry service list in accordance with the procedures described above.

and Vietnam pursuant to section 736(a) of the Act. Interested parties can find a list of antidumping duty orders currently in effect at <https://enforcement.trade.gov/stats/iastats1.html>.
