General Description of Reports

This information collection is mandatory: 12 U.S.C. 321, 324, and 602 (Board); 12 U.S.C. 602 (OCC); and 12 U.S.C. 1828 (FDIC). This information collection is given confidential treatment (5 U.S.C. 552(b)(8)).

Abstract

The FFIEC 030 contains asset and liability information for foreign branches of insured U.S. commercial

banks and State-chartered savings banks and is required for regulatory and supervisory purposes. The information is used by the agencies to analyze the foreign operations of U.S. banks. All foreign branches of U.S. banks regardless of charter type file this report with the appropriate Federal Reserve District Bank. The Federal Reserve collects this information on behalf of the U.S. bank's primary Federal bank regulatory agency. The FFIEC 030S contains five data items that branches with total assets between \$50 million and \$250 million file on an annual basis in lieu of the FFIEC 030 reporting form. No changes are proposed to the FFIEC 030 or FFIEC 030S reporting forms or instructions.

Request for Comment

Comments are invited on:

a. Whether the information collection is necessary for the proper performance of the agencies' functions, including whether the information has practical utility;

b. The accuracy of the agencies' estimate of the burden of the information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of the information collections on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide the requested information.

Comments submitted in response to this notice will be shared among the agencies. All comments will become a matter of public record. Written comments should address the accuracy of the burden estimates and ways to minimize burden, including the use of automated collection techniques or the use of other forms of information technology, as well as other relevant aspects of the information collection request.
