

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Telecommunications and Information Administration.

Title: NTIA/FCC Web-Based Frequency Coordination System.

OMB Control Number: 0660-0018.

Form Number(s): N/A.

Type of Request: Regular submission (extension of a currently approved information collection).

Number of Respondents: 5,000.

Average Hours per Response: 15 minutes.

Burden Hours: 1,250.

Needs and Uses: The National Telecommunications and Information Administration (NTIA) hosts a Web-based system that collects specific identification information (e.g., company name, location and projected range of the operation) from applicants seeking to operate in existing and planned radio frequency (RF) bands that are shared on a co-primary basis by Federal and non-Federal users. The Web-based system provides a means for non-Federal applicants to rapidly determine the availability of RF spectrum in a specific location, or a need for detailed frequency coordination of a specific newly proposed assignment within the shared portions of the radio spectrum; and replaced the manual RF assignment process used by the Federal Communications Commission and NTIA. The system helps expedite the coordination process for non-federal applicants while assuring protection of government data relating to national security. The Web-based system replaced a manual process where coordination and approval could take up to a year to complete.

Affected Public: Business or other for-profit organizations; state or local government.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482-0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at JJessup@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Nicholas Fraser, OMB Desk Officer, FAX number (202) 395-5167, or via the Internet at Nicholas_A_Fraser@omb.eop.gov.

Dated: November 8, 2013.

Management Analyst, Office of the Chief Information Officer.

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[B-96-2013]

**Foreign-Trade Zone 235—Lakewood,
New Jersey Application for
Reorganization/Expansion Under
Alternative Site Framework**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Township of Lakewood, New Jersey, grantee of FTZ 235, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on November 7, 2013.

FTZ 235 was approved by the FTZ Board on November 25, 1998 (Board Order 1008, 63 FR 67854, 12/09/98) and expanded on November 20, 2008 (Board Order 1589, 73 FR 74140–74141, 12/05/08). The current zone includes the following sites: *Site 1* (1996 acres total, 3 parcels)—Parcel A (1,540 acres)—Lakewood Airport, State Highway Route 70, Lakewood; Parcel B (47 acres)—Pine Street South Industrial District located on Pine Street, Lakewood; and Parcel C (409 acres)—Lakewood Industrial Campus West, Cedar Bridge Avenue, Lakewood; *Site 2* (252 acres)—Prospect Street Industrial Park, Prospect and James Streets, Lakewood; *Site 3* (351 acres, 2 parcels, sunset 11/30/13)—Parcel 1 (209 acres)—Cranbury Business Park, located at 61 & 66 Station Road;

and, Parcel 2 (142 acres)—Half Acre Road and Santa Fe Way, Cranbury; *Site 4* (50 acres, sunset 11/30/13)—ProLogis Park—South Brunswick, 380 Deans Rhode Hall Road, Jamesburg; *Site 5* (159 acres, sunset 11/30/13)—Middlesex Center, 200 Middlesex Drive, Cranbury; *Site 6* (35 acres, sunset 11/30/13)—EastPointe Property, South River Road at the New Jersey Turnpike, Cranbury; *Site 7* (26 acres, expires 12/31/13)—Barnes & Noble, Inc., 1 Barnes & Noble Way, Monroe; and, *Site 8* (11 acres, expires 3/31/14)—Cosmetics Essence Innovations, LLC, 2182 Highway 35, Holmdel.

The grantee’s proposed service area under the ASF would be the Counties of Ocean, Middlesex, Monmouth, Union and Burlington, New Jersey, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is within and adjacent to the Philadelphia Customs and Border Protection port of entry.

The applicant is also requesting authority to reorganize and expand its existing zone to remove Sites 3, 4, 5, and 6 and to include Sites 1 and 2 as magnet sites. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The applicant is also requesting approval of current temporary Sites 7 and 8 as “usage-driven” sites.

In accordance with the FTZ Board’s regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is January 14, 2014. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to January 29, 2014.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via www.trade.gov/ftz.
