Only one representative of an organization will be allowed to present oral comments in any given meeting; other representatives of the same group may provide written comments. If the oral comment session is full, individuals who could not be accommodated are welcome to provide written comments instead. Comments to be read or presented in the meeting will be assigned a 3–5 minute time slot depending on the number of comments, but a longer version may be submitted in writing for the record. Commenters going beyond their allotted time in the meeting may be asked to conclude immediately in order to allow other comments and presentations to proceed on schedule.

Any interested person may submit written public comments to the IACC prior to the meeting by emailing the comments to IACCPublicInquiries@mail.nih.gov or by submitting comments at the web link: <https://iacc.hhs.gov/meetings/public-comments/submit/index.jsp> by 5:00 p.m. ET on Tuesday, April 9, 2019. Any written comments received after the 5:00 p.m. ET, April 9, 2019 deadline through April 16, 2019 will be provided to the Committee either before or after the meeting, depending on the volume of comments received and the time required to process them in accordance with privacy regulations and other applicable Federal policies. All written public comments and oral public comment statements received by the deadlines for both oral and written public comments will be provided to the IACC for their consideration and will become part of the public record. Attachments of copyrighted publications are not

permitted, but web links or citations for any copyrighted works cited may be provided.

Individuals may also submit public comments to the IACC via a Live Feedback Form accessible from the webcast page on the day of the meeting from 9:00 a.m. ET to 11:00 a.m. ET. No pre-registration required. The link will be accessible on the NIH Videocast website at <https://videocast.nih.gov/summary.asp?live=31473> and instructions are available on the IACC website: <https://iacc.hhs.gov/meetings/iacc-meetings/live-feedback.shtml>. This format is best suited for brief questions and comments for the committee. Submissions will be provided to the IACC and will become a part of the public record.

In the 2016–2017 IACC Strategic Plan, the IACC listed the “Spirit of Collaboration” as one of its core values, stating that, “We will treat others with respect, listen with open minds to the diverse views of people on the autism spectrum and their families, thoughtfully consider community input, and foster discussions where participants can comfortably where participants can comfortably offer opposing opinions.” In keeping with this core value, the IACC and the NIMH Office of Autism Research Coordination (OARC) ask that members of the public who provide public comments or participate in meetings of the IACC also seek to treat others with respect and consideration in their communications and actions, even when discussing issues of genuine concern or disagreement.

Remote Access: The meeting will be open to the public through a conference call phone number and webcast live on the internet. Members of the public who participate using the conference call phone number will be able to listen to the meeting but will not be heard. If you experience any technical problems with the webcast or conference call, please send an email to IACCPublicInquiries@mail.nih.gov or call 240-668-0302.

Disability Accommodations: All IACC Full Meetings provide Closed Captioning through the NIH videocast website. Remote CART is provided through a web application and will be available at all meetings; the application can be used on a laptop computer or mobile device. For details please inquire with the Contact Person listed on the notice.

Individuals whose full participation in the meeting will require special accommodations (e.g., sign language, or interpreting services, etc.) must submit a request to the Contact Person listed on the notice at least seven (7) business

days prior to the meeting. Such requests should include a detailed description of the accommodation needed and a way for the IACC to contact the requester if more information is needed to fill the request. Special requests should be made as early as possible; last minute requests may be made but may not be possible to accommodate.

Security: Visitors will be asked to sign in and show one form of identification (for example, a government-issued photo ID, driver's license, or passport) at the meeting registration desk during the check-in process. Pre-registration is recommended. Seating will be limited to the room capacity and seats will be on a first come, first served basis, with expedited check-in for those who are pre-registered.
