SUPPLEMENTARY INFORMATION:

Background

The Regulations and Procedures Technical Advisory Committee (RPTAC) advises and assists the Secretary of Commerce (Secretary) and other Federal officials and agencies with respect to actions designed to carry out the policy set forth in Section 1752 of the Export Control Reform Act. The purpose of the meeting is to have Committee members and U.S. Government representatives mutually review updated technical data and policy-driving information that has been gathered.

Agenda

The open session will include open business discussions. The closed session will include the discussion of matters determined to be exempt from the open meeting consistent with the public participation requirements in Sections 1009(a)(1) and 1009(a)(3) of the Federal Advisory Committee Act (FACA) (5 U.S.C. 1001-1014). The exemption is authorized by Section 1009(d) of the FACA, which permits the closure of advisory committee meetings,

or portions thereof, if the head of the agency to which the advisory committee reports determines such meetings may be closed to the public in accordance with subsection (c) of the Government in the Sunshine Act (5 U.S.C. 552b(c)). In this case, the applicable provisions of 5 U.S.C. 552b(c) are subsection 552b(c)(4), which permits closure to protect trade secrets and commercial or financial information that is privileged or confidential, and subsection 552b(c)(9)(B), which permits closure to protect information that would be likely to disclose information the premature disclosure of which would be likely to significantly frustrate the implementation of a proposed agency action. The closed session of the meeting will involve committee discussions and guidance regarding U.S. Government strategies and policies.

Open Session Attendance

The open session will be accessible via teleconference. Registration in advance is required to receive the meeting invite for virtual attendance. Individuals interested in participating virtually should contact TAC@bis.doc.gov no later than 11:59 p.m. Eastern Time on September 4, 2025.

Special Accommodations

Individuals requiring special accommodations should contact TAC@bis.doc.gov no later than 11:59 p.m. Eastern Time on September 2, 2025, so that appropriate arrangements can be made.

Public Participation

To the extent that time permits, members of the public may present oral statements to the RPTAC. The public may also submit written statements at any time before or after the meeting. However, to facilitate the distribution of materials to the RPTAC members, written materials should be submitted to TAC@bis.doc.gov prior to the start of the meeting. All such materials submitted will be made public and, therefore, should not contain confidential information. Meeting materials from the open session will be posted to the Technical Advisory Committee (TAC) site (<https://tac.bis.doc.gov>) within 30 days after the meeting.

Closure Determination

The Deputy Assistant Secretary for Administration, performing the non-exclusive functions and duties of the Chief Financial Officer and Assistant Secretary for Administration, with the concurrence of the delegate of the General Counsel, formally determined pursuant to 5 U.S.C. 1009(d), that the

portion of the meeting dealing with pre-decisional changes to the Commerce Control List and the U.S. export control policies shall be exempt from the provisions relating to public meetings found in 5 U.S.C. 1009(a)(1) and 1009(a)(3). The remaining portions of the meeting will be open to the public.

Certain Monomers and Oligomers From the Republic of Korea: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable August 19, 2025.

FOR FURTHER INFORMATION CONTACT: Sun Cho, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6458.

SUPPLEMENTARY INFORMATION:

Background

On April 16, 2025, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of certain monomers and oligomers (monomers and oligomers) from the Republic of Korea (Korea) and Taiwan.¹ Currently, the preliminary determination is due no later than September 3, 2025.

Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of

¹ See *Certain Monomers and Oligomers from the Republic of Korea and Taiwan: Initiation of Less-Than-Fair-Value Investigations*, 90 FR 17044 (April 23, 2025) (Initiation Notice).

the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner² makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On August 11, 2025,³ the petitioner submitted a timely request that Commerce postpone the preliminary determination in the LTFV investigation of monomers and oligomers from Korea.⁴ The petitioner stated that postponement of the preliminary determination is necessary given the complexity of this investigation and because postponement will allow Commerce to analyze the responses to supplemental questionnaires and give the petitioner adequate time to analyze and comment on the responses prior to the issuance of the preliminary determination.⁵

For the reasons stated above, and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (i.e., to 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination in the above-referenced investigation no later than October 23, 2025. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

² The petitioner is Arkema, Inc.

³ Commerce's practice dictates that where a deadline falls on a weekend or a Federal Holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930*, As Amended, 70 FR 24533 (May 10, 2005). As such, the deadline to timely request postponement was Monday, August 11, 2025.

⁴ See Petitioner's Letter, "Request to Extend Preliminary Determination," dated August 11, 2025.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

ACTION: Notice; correction.

SUMMARY: The U.S. Department of Commerce (Commerce) published notice in the *Federal Register* on July 24, 2025, in which Commerce announced the final results of the 2022–2023 administrative review of the antidumping duty (AD) order on heavy-walled rectangular welded carbon steel pipes and tubes (HWR) from Mexico. In the final results, Commerce incorrectly assigned a review-specific cash deposit rate of 11.80 percent to certain non-examined companies for which the review was rescinded in the *Preliminary Results*. Commerce is correcting two items in the final results.

FOR FURTHER INFORMATION CONTACT: Katie Smith, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0557.

SUPPLEMENTARY INFORMATION:

Background

On June 24, 2025, Commerce published in the *Federal Register* the *Final Results* of the 2022–2023 administrative review¹ of the antidumping duty order on HWR from Mexico.

In the *Final Results*, Commerce incorrectly assigned a review-specific

cash deposit rate of 11.80 percent to certain non-examined companies for which the review was rescinded in the *Preliminary Results*.² Because we previously rescinded the review for these companies in the *Preliminary Results*, this notice preserves that rescission and revises the “Final Results of Review” section in the *Final Results* to remove the rate assigned to these companies.

Consistent with our treatment of all non-examined companies in the *Preliminary Results*,³ we continue to rescind the review for the following 14 companies: (1) Aceros del Toro S.A. de C.V.; (2) Aceros El Fraile S.A. de C.V.; (3) Arco Metal S.A. de C.V.; (4) Border Assembly S. de R.L. de C.V.; (5) Buffalo Tube S.A. de C.V.; (6) Fortacero S.A. de C.V.; (7) Forza Steel S.A. de C.V.; (8) Grupo Collado S.A. de C.V.; (9) Industrias Monterrey S.A. de C.V.; (10) Perfiles y Herrajes L.M. S.A. de C.V.; (11) Placa y Fierro de Monterrey S.A. de C.V.; (12) PYTCO S.A. de C.V.; (13) Regiomontana de Perfiles y Tubos S.A. de C.V.; and (14) Tuberias Procarsa S.A. de C.V. As a result, we are correcting aspects of the *Final Results*, identified below.

Correction 1

In the *Federal Register* of July 24, 2025, in FR Doc 2025–13985, on pages 34842–43, correct the notice by removing the entire section entitled “Rates for Companies Not Selected for Individual Examination.”

Correction 2

In the *Federal Register* of July 24, 2025, in FR Doc 2025–13985, on page 34843, correct the notice by removing, in part, the section of the table entitled, “Review Specific Rate for Non-Examined Companies.”

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.221(b)(5).

Dated: August 14, 2025.
