[Docket Number USCG–2023–0491]

RIN 1625–AA87

Security Zones; Corpus Christi Ship Channel, Corpus Christi, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing two temporary, 500-yard radius, moving security zones around the Motor Vessel (M/V) ARC DEFENDER and M/V OCEAN JAZZ. These zones are needed to protect the vessels, which will be carrying military cargo onboard, while they are transiting the Corpus Christi Ship Channel, in Corpus Christi, TX. Entry of vessels or persons into the zones are prohibited unless specifically authorized by the Captain of the Port Sector Corpus Christi (COTP) or a designated representative.

DATES: This rule is effective without actual notice from June 27, 2023, through July 19, 2023. For the purposes of enforcement, actual notice will be used from June 21, 2023 through July 19, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander Anthony Garofalo, Sector Corpus Christi Waterways Management Division, U.S. Coast Guard; telephone 361–939–5130, email Anthony.M.Garofalo@uscg.mil.

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this security zone by June 21, 2023 to ensure security of the vessel and lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to provide for the security of the vessel and cargo.

III. Legal Authority and Need for Rule

The Coast Guard may issue security zone regulations under authority in 46 U.S.C. 70051 and 70124. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with the transit of the M/V ARC DEFENDER and M/V OCEAN JAZZ when loaded with military cargo will be a security concern within a 500-yard radius of the vessel. This rule is needed to provide for the safety and security of the vessels, their cargo, and surrounding waterway from terrorist acts, sabotage or other subversive acts, accidents, or other events of a similar nature from June 21, 2023 through July 19, 2023.

IV. Discussion of the Rule

The Coast Guard is establishing two 500-yard radius temporary security zones around M/V ARC DEFENDER and M/V OCEAN JAZZ. The vessel names will be clearly marked on the port, starboard, and stern. The zone for the vessel will be enforced from the time the vessel transits the Corpus Christi Ship Channel between June 21, 2023 and July 19, 2023. The duration of the zone is intended to protect the vessel and military cargo on board while the

vessel is in transit. No vessel or person will be permitted to enter the security zone without obtaining permission from the COTP or a designated representative.

Entry into these security zones is prohibited unless authorized by the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard (USCG) assigned to units under the operational control of USCG Sector Corpus Christi. Persons or vessels desiring to enter or pass through each zone must request permission from the COTP or a designated representative on VHF–FM channel 16 or by telephone at 361–939–0450. If permission is granted, all persons and vessels shall comply with the instructions of the COTP or designated representative. The COTP or a designated representative will inform the public through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs) as appropriate for the enforcement times and dates for each security zone.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, duration, and location of the security zone. This rule will impact a small designated area of the Corpus Christi Ship Channel during the vessel’s transits while loaded with cargo over a thirty-day period. Moreover, the Coast Guard will issue BNMs via VHF–FM marine channel 16 about the zones as appropriate and the rule allows vessels to seek permission to enter the zones.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider

the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the temporary security zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism

principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f) and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a security zone lasting for the duration of time that the M/V ARC DEFENDER and M/V OCEAN JAZZ are within the Corpus Christi Ship Channel. It will prohibit entry within a 500 yard radius of the M/V ARC DEFENDER and M/V OCEAN JAZZ while the vessel is carrying military cargo onboard and transiting within the Corpus Christi Ship Channel. It is categorically excluded from further review under L60(a) in Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

Safety Zones; Fireworks Displays in the Fifth Coast Guard District—Brick Township, NJ

AGENCY: Coast Guard, DHS.

ACTION: Notification of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Metedeconk River, Brick Township, NJ Safety Zone for fireworks displays on four separate periods. The safety zone will be enforced on July 6, 2023, July 13, 2023, July 20, 2023, and July 27, 2023, or on a rain date of August 10, 2023, to provide for the safety of life on navigable waterways during each of the four separate land-based fireworks displays. Our regulation for marine events within the Fifth Coast Guard District identifies the boundaries of the regulated area for this event near the shoreline at Brick Township, NJ. During the enforcement period, no person or vessel may enter, remain in, or transit through the regulated area, and anyone in the vicinity must comply with directions from the Patrol Commander or any Official Patrol displaying a Coast Guard ensign.

DATES: The portion of the regulation 33 CFR 165.506 for Brick Township, NJ, will be enforced for the location identified in entry 5 of table 1 to paragraph (h)(1), from 9 through 9:45 p.m. on July 6, 2023, July 13, 2023, July 20, 2023, and July 27, 2023, or on a rain date of August 10, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, you may call or email Petty Officer Dylan Caikowski, U.S. Coast Guard, Sector Delaware Bay, Waterways Management Division, telephone 215–271–4814, email SecDelBayWWM@uscg.mil.

SUPPLEMENTARY INFORMATION:

The Coast Guard will enforce the safety zone in table 1 to paragraph (h)(1) to 33 CFR 165.506, entry No. 5 for four periods, for four separate land-based fireworks displays. The enforcement periods will be from 9 through 9:45 p.m. on July 6, 2023, July 13, 2023, July 20, 2023, and July 27, 2023, or on a rain date of August 10, 2023. This action is necessary to ensure the safety of life on the navigable waters of the United States immediately prior to, during, and immediately after fireworks displays. Our regulation for safety zones of fireworks displays within the Fifth Coast Guard District, table 1 to paragraph (h)(1) to 33 CFR 165.506, entry 5 specifies the location of the regulated area as all waters of the Metedeconk River within a 300-yard radius of the fireworks launch platform in approximate position latitude 40°03′23″ N, longitude 074°06′39″ W, near the shoreline at Brick Township, NJ. During the enforcement period, as reflected in section 165.506(d), vessels may not enter, remain in, or transit through the safety zone unless authorized by the Captain of the Port or designated Coast Guard patrol personnel on-scene.

In addition to this notice of enforcement in the **Federal Register**, the Coast Guard will provide notification of this enforcement period via Local Notice to Mariners and Broadcast Notice to Mariners.

Dated: June 21, 2023.

Kate F. Higgins-Bloom,

Captain, U.S. Coast Guard, Captain of the Port, Sector Delaware Bay.

Safety Zone; Fireworks Display, Great Egg Harbor Bay, Ocean City, NJ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain navigable waters of Great Egg Harbor Bay in Ocean City, NJ. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by a barge-based fireworks display. Entry of

vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port (COTP) Delaware Bay. Vessels within the zone prior to the enforcement period must leave the zone before the enforcement period begins.

DATES: This rule is effective from 9 to 9:45 p.m. on July 29, 2023.

II. Background Information and Regulatory History

On February 16, 2023, Ocean City, New Jersey notified the Coast Guard that it will be conducting a fireworks display from 9:15 to 9:30 p.m. on July 29, 2023. The fireworks are to be launched from a barge in Great Egg Harbor Bay, in the vicinity of Rainbow Channel. In response, on April 24, 2023, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone; Delaware Bay, Lower Township, NJ. There, we stated why we issued the NPRM and invited comments on our proposed regulatory action related to this fireworks display. During the comment period that ended May 24, 2023, we received one comment.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The COTP has determined that potential hazards associated with a barge-based fireworks display will be a safety concern for anyone within 600 feet of the fireworks barge. The purpose of this rule is to ensure the safety of vessels and of persons who might be in the navigable waters in the safety zone before, during, and after a barge-based fireworks display.
