SUPPLEMENTARY INFORMATION: The Under Secretary for International Trade of the U.S. Department of Commerce and the Undersecretary for Foreign Trade of the Undersecretariat of the Prime Ministry for Foreign Trade of Turkey will co-chair the U.S.-Turkey Business Council, pursuant to the Terms of Reference signed on May 25, 2010, by the U.S. and Turkish Governments, which set forth the objectives and structure of the Council. The Terms of Reference may be viewed at: <http://www.trade.gov/mac/terms-of-reference-us-turkey-business-council.asp>.

The Council is intended to facilitate the exchange of information and encourage bilateral discussions of business and economic issues, including promoting bilateral trade and investment and improving the business climate in each country. The Council is intended to bring together the respective business communities of the United States and Turkey to discuss such issues of mutual interest and to communicate their joint recommendations to the U.S. and Turkish Governments. The Council will consist of the U.S. and Turkish co-chairs and a Committee comprised of private sector members. The Committee will be composed of two Sections of private sector members, a U.S. Section and a Turkish Section, each of which shall have approximately ten to twelve members, representing the views and interests of their respective private sector business communities. Each government will appoint the members to its respective Section. It is intended that the Committee will provide joint recommendations to the two governments that reflect private sector views, needs, and concerns regarding

creation of an environment in which the private sectors of both countries can partner, thrive, and enhance bilateral commercial ties that could form the basis for expanded trade and investment between the United States and Turkey.

The Department of Commerce is currently seeking candidates to apply for membership on the U.S. Section of the Council. Each candidate must be a senior-level executive of a U.S.-owned or controlled company that is incorporated in and has its main headquarters located in the United States and that is currently doing business in Turkey. Each candidate also must be a U.S. citizen, or otherwise legally authorized to work in the United States, and be able to travel to Turkey and locations in the United States to attend official Council meetings, as well as U.S. Section and Committee meetings. In addition, the candidate may not be a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended.

Evaluation of applications for membership in the U.S. Section by eligible individuals will be based on the following criteria:

- A demonstrated commitment by the individual's company to the Turkish market either through exports or investment.
- A demonstrated strong interest in Turkey and its economic development.
- The ability to offer a broad perspective on the business environment in Turkey, including cross-cutting issues that affect the entire business community.
- The ability to initiate and be responsible for activities in which the Council will be active.

Members will be selected on the basis of who will best carry out the objectives of the Council as stated in the Terms of Reference establishing the U.S.-Turkey Business Council. In selecting members of the U.S. Section, the Department of Commerce will also seek to ensure that the Section represents a diversity of business sectors and geographical locations, as well as a cross-section of small, medium, and large-sized firms.

U.S. members will receive no compensation for their participation in Council-related activities. They shall not be considered as special government employees. Individual private sector members will be responsible for all travel and related expenses associated with their participation in the Council, including attendance at Committee and Section meetings. Only appointed members may participate in official Council meetings; substitutes and

alternates may not be designated. Members will normally serve for two-year terms, but may be reappointed.

Polyethylene Retail Carrier Bags From Thailand: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* June 25, 2010.

FOR FURTHER INFORMATION CONTACT: Thomas Schauer, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0410.

Background

On August 9, 2004, the Department of Commerce (the Department) published in the **Federal Register** the antidumping duty order on polyethylene retail carrier bags from Thailand. See *Antidumping Duty Order: Polyethylene Retail Carrier Bags From Thailand*, 69 FR 48204 (August 9, 2004). On September 22, 2009, we published a notice of initiation

of an administrative review of the order with respect to six companies. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 74 FR 48224, 48226 (September 22, 2009).¹ The period of review is August 1, 2008, through July 31, 2009.

As explained in the February 12, 2010, memorandum from the Deputy Assistant Secretary for Import Administration, the Department has exercised its discretion to toll Import Administration deadlines for the duration of the closure of the Federal Government from February 5 through February 12, 2010. Thus, the deadline in this segment of the proceeding has been extended by seven days. As a result, the revised deadline for the preliminary results of this administrative review became May 10, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

On May 4, 2010, we extended the time period for issuing the preliminary results of this review by 50 days to June 29, 2010. See *Polyethylene Retail Carrier Bags from Thailand: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 75 FR 23673 (May 4, 2010).

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published in the **Federal Register**. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of this review by the current deadline of June 29, 2010, because we require additional time to analyze a number of complex cost-accounting issues relating to this administrative review that have been raised by parties to the proceeding. Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we are extending the time period for issuing the preliminary results of this review by an additional 58 days to August 26, 2010.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: June 21, 2010.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
