

the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-Phlx-2015-30 on the subject line.

Paper Comments

- Send paper comments in triplicate to Brent J. Fields, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090. All submissions should refer to File Number SR-Phlx-2015-30. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>).

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the

Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly.

All submissions should refer to File Number SR-Phlx-2015-30 and should be submitted on or before April 28, 2015.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹

Brent J. Fields,
Secretary.

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2015-0015]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. (OMB)

Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA-Submission@omb.eop.gov (SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov.

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2015-0015].

⁷ See 15 U.S.C. 78s(b)(3)(a)(ii).

⁸ See 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁹ See 17 CFR 200.30-3(a)(12).

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than June 8, 2015. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. Statement of Claimant or Other Person—20 CFR 404.702 & 416.570—0960-0045. SSA uses Form SSA-795 in special situations where there is no

authorized form or questionnaire, yet we require a signed statement from the applicant, claimant, or other persons who have knowledge of facts, in connection with claims for Social Security benefits or Supplemental Security Income (SSI). The information we request on the SSA-795 is of sufficient importance that we need both a signed statement and a penalty clause. SSA uses this information to process, in addition to claims for benefits, issues about continuing eligibility; ongoing

benefit amounts; use of funds by a representative payee; fraud investigation; and a myriad of other program-related matters. The most typical respondents are applicants for Social Security, SSI, or recipients of these programs. However, respondents also include friends and relatives of the involved parties, coworkers, neighbors, or anyone else in a position to provide information pertinent to the issue(s).

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-795	305,500	1	15	76,375

2. Statement of Care and Responsibility for Beneficiary—20 CFR 404.2020, 404.2025, 408.620, 408.625, 416.620, 416.625—0960-0109. SSA uses the information from Form SSA-788 to verify payee applicants' statements of concern and to identify other potential payees. SSA is concerned with selecting the most qualified representative payee who will use Social Security benefits in

the beneficiary's best interest. SSA considers factors such as the payee applicant's capacity to perform payee duties; awareness of the beneficiary's situation and needs; demonstration of past; and current concern for the beneficiary's well-being, etc. If the payee applicant does not have custody of the beneficiary, SSA will obtain information from the custodian for

evaluation against information provided by the applicant. Respondents are individuals who have custody of the beneficiary in cases where someone else has filed to be the beneficiary's representative payee.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-788	130,000	1	10	21,667

3. Request for Internet Services—Authentication; Automated Telephone Speech Technology—Knowledge-Based Authentication (RISA-KBA)—20 CFR 401.45—0960-0596. The Request for Internet Services and 800# Automated Telephone Services Knowledge-Based Authentication is one of the authentication methods SSA uses to allow individuals access to their personal information through our

Internet and Automated Telephone Services. SSA asks individuals and third parties who seek personal information from SSA records, or who register to participate in SSA's online business services, to provide certain identifying information. As an extra measure of protection, SSA asks requestors who use the Internet and telephone services to provide additional identifying information unique to those

services so SSA can authenticate their identities before releasing personal information. The respondents are current beneficiaries who are requesting personal information from SSA, as well as individuals and third parties who register for SSA's online business services.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
Internet Requestors	10,373,917	1	3	518,695
Telephone Requestors	1,703,367	1	4	113,558
*Change of Address (on hold)	1	1
*Screen Splash (on hold)	1	1
Totals:	12,077,286	632,255

* Reducing the burden to a one-hour placeholder burden; Screen Splash and Change of Address applications are on hold.

4. Social Security Number Verification Services—20 CFR 401.45—0960-0660. Internal Revenue Service regulations require employers to

provide wage and tax data to SSA using Form W-2 or its electronic equivalent. As part of this process, the employer must furnish the employee's name and

Social Security number (SSN). In addition, the employee's name and SSN must match SSA's records for SSA to post earnings to the employee's earnings

record. SSA offers the Social Security Number Verification Service (SSNVS), which allows employers to verify the reported names and SSNs of their employees match those in SSA's

records. SSNVS is a cost-free method for employers to verify employee information either through the Internet or via telephone. The respondents are

employers who need to verify SSN data using SSA's records.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Total annual burden (hours)
SSNVS	44,975	60	5	224,875
SSNVS Telephone	1,750	2	10	583
Totals	46,725	225,458

II. SSA submitted the information collection below to OMB for clearance. Your comments regarding the information collection would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than May 7, 2015. Individuals can obtain copies of the OMB clearance package by writing to *OR.Reports.Clearance@ssa.gov*.

Promoting Readiness of Minors in SSI (PROMISE) Evaluation—0960-0799. Background

The Promoting Readiness of Minors in SSI (PROMISE) demonstration pursues positive outcomes for children with disabilities who receive SSI and their families by reducing dependency on SSI. The Department of Education (ED) awarded six cooperative agreements to states to improve the provision and coordination of services and support for children with disabilities who receive SSI and their families to achieve improved education and employment outcomes. ED awarded PROMISE funds to five single-state projects, and to one six-state consortium.¹ With support from ED, the Department of Labor (DOL), and the Department of Health and Human Services (HHS), SSA is evaluating the six PROMISE projects. SSA contracted with Mathematica Policy Research to conduct the evaluation.

Under PROMISE, targeted outcomes for youth include an enhanced sense of self-determination; achievement of secondary and post-secondary educational credentials; an attainment of early work experiences culminating with competitive employment in an integrated setting; and long-term reduction in reliance on SSI. Outcomes of interest for families include heightened expectations for and support

of the long-term self-sufficiency of their youth; parent or guardian attainment of education and training credentials; and increases in earnings and total income. To achieve these outcomes, we expect the PROMISE projects to make better use of existing resources by improving service coordination among multiple state and local agencies and programs.

ED, SSA, DOL, and HHS intend the PROMISE projects to address key limitations in the existing service system for youth with disabilities. By intervening early in the lives of these young people, at ages 14–16, the projects engage the youth and their families well before critical decisions regarding the age 18 redetermination are upon them. We expect the required partnerships among the various state and Federal agencies that serve youth with disabilities to result in improved integration of services and fewer dropped handoffs as youth move from one agency to another. By requiring the programs to engage and serve families and provide youth with paid work experiences, the initiative is mandating the adoption of critical best practices in promoting the independence of youth with disabilities.

Project Description

SSA is requesting clearance for the collection of data needed to implement and evaluate PROMISE. The evaluation provides empirical evidence on the impact of the intervention for youth and their families in several critical areas, including: (1) Improved educational attainment; (2) increased employment skills, experience, and earnings; and (3) long-term reduction in use of public benefits. We base the PROMISE evaluation on a rigorous design that entails the random assignment of approximately 2,000 youth in each of the six projects to treatment or control groups (12,000 total). The PROMISE projects provide enhanced services for youth in the treatment groups; whereas youth in the control groups are eligible only for those services already available

in their communities independent of the interventions.

The evaluation assesses the effect of PROMISE services on educational attainment, employment, earnings, and reduced receipt of disability payments. The three components of this evaluation include:

- The process analysis, which documents program models, assesses the relationships among the partner organizations, documents whether the grantees implemented the programs as planned, identifies features of the programs that may account for their impacts on youth and families, and identifies lessons for future programs with similar objectives.
- The impact analysis, which determines whether youth and families in the treatment groups receive more services than their counterparts in the control groups. It also determines whether treatment group members have better results than control group members with respect to the targeted outcomes noted above.
- The cost-benefit analysis, which assesses whether the benefits of PROMISE, including increases in employment and reductions in benefit receipt, are large enough to justify its costs. We conduct this assessment from a range of perspectives, including those of the participants, state and Federal governments, SSA, and society as a whole.

SSA planned several data collection efforts for the evaluation. These include: (1) Follow-up interviews with youth and their parent or guardian 18 months and 5 years after enrollment; (2) phone and in-person interviews with local program administrators, program supervisors, and service delivery staff at two points in time over the course of the demonstration; (3) two rounds of focus groups with participating youth in the treatment group; (4) two rounds of focus groups with parents or guardians of participating youth; and (5) collection of administrative data. At this time, SSA requests clearance for the 18-month

¹ The six-state consortium project goes by the name Achieving Success by Promoting Readiness for Education and Employment (ASPIRE) rather than by PROMISE.

survey interviews. SSA will request clearance for the 5-year survey interviews in a future submission. The respondents are the youth participants in the PROMISE program, and the

parents or guardians of the youth participants.

Type of Request: Revision to an OMB-approved information collection.

Note: This is a correction notice. SSA inadvertently published the incorrect burden information for this collection at 80 FR 3713, on 1/23/15. We are correcting this error here.

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA 2015-0004]

Privacy Act of 1974, as Amended; Computer Matching Program (SSA/ Department of the Treasury, Internal Revenue Service (IRS))—Match Number 1305

AGENCY: Social Security Administration (SSA).

ACTION: Notice of a renewal of an existing computer matching program that will expire on May 10, 2015.

SUMMARY: In accordance with the provisions of the Privacy Act, as amended, this notice announces a renewal of an existing computer matching program that we are currently conducting with IRS.

DATES: We will file a report of the subject matching program with the Committee on Homeland Security and Governmental Affairs of the Senate; the Committee on Oversight and Government Reform of the House of Representatives; and the Office of Information and Regulatory Affairs, Office of Management and Budget (OMB). The matching program will be effective as indicated below.

ADDRESSES: Interested parties may comment on this notice by either telefaxing to (410) 966-0869 or writing to the Executive Director, Office of Privacy and Disclosure, Office of the General Counsel, Social Security Administration, 617 Altmeyer Building, 6401 Security Boulevard, Baltimore, MD 21235-6401. All comments received will be available for public inspection at this address.

FOR FURTHER INFORMATION CONTACT: The Executive Director, Office of Privacy and Disclosure, Office of the General Counsel, as shown above.

SUPPLEMENTARY INFORMATION:

A. General

The Computer Matching and Privacy Protection Act of 1988 (Public Law (Pub. L.) 100-503), amended the Privacy Act (5 U.S.C. 552a) by describing the conditions under which computer matching involving the Federal government could be performed and adding certain protections for persons applying for, and receiving, Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such persons.

The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. It requires Federal agencies involved in computer matching programs to:

(1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

(2) Obtain approval of the matching agreement by the Data Integrity Boards of the participating Federal agencies;

(3) Publish notice of the computer matching program in the **Federal Register**;

(4) Furnish detailed reports about matching programs to Congress and OMB;

(5) Notify applicants and beneficiaries that their records are subject to matching; and

(6) Verify match findings before reducing, suspending, terminating, or denying a person's benefits or payments.

B. SSA Computer Matches Subject to the Privacy Act

We have taken action to ensure that all of our computer matching programs comply with the requirements of the Privacy Act, as amended.

Kirsten J. Moncada,

Executive Director, Office of Privacy and Disclosure, Office of the General Counsel.

Notice of Computer Matching Program, SSA With the Department of the Treasury, Internal Revenue Service (IRS)

A. Participating Agencies

SSA and IRS

B. Purpose of the Matching Program

The purpose of this matching program is to set forth the terms, conditions, and safeguards under which IRS will disclose to us certain information for the purpose of verifying eligibility or the correct subsidy percentage of benefits provided under section 1860D-14 of the Social Security Act. (42 U.S.C. 1395w-114).

C. Authority for Conducting the Matching Program

The legal authority for this agreement is Internal Revenue Code section 6103(1)(7), which authorizes IRS to disclose return information with respect to unearned income to Federal, state, and local agencies administering certain benefit programs under the Act. Section 1860D-14 of the Act requires our Commissioner to determine the eligibility of applicants for the prescription drug subsidy who self-certify their income, resources, and family size. Pursuant to section 1860D-14(a)(3) of the Act, we must determine whether a Social Security Part D eligible individual is a subsidy-eligible individual, and whether the individual is an individual as described in section 1860D-14(a). This agreement is executed in compliance with the
