**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request an extension of a currently approved collection of information: 3220-0086, Application for Reimbursement for Hospital Insurance Services in Canada. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine: (1) The practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if RRB and OIRA receive them within 30 days of publication date.

Under section 7(d) of the Railroad Retirement Act (RRA), the RRB administers the Medicare program for persons covered by the railroad retirement system. Payments are provided under section 7(d)(4) of the RRA for medical services furnished in Canada to the same extent as for those furnished in the United States. However, payments for the services furnished in Canada are made from the Railroad Retirement Account rather than from the Federal Hospital Insurance Trust Fund, with the payments limited to the amount by which insurance benefits under Medicare exceed the amounts payable under Canadian Provincial plans.

Form AA-104, Application for Canadian Hospital Benefits Under Medicare—Part A, is provided by the RRB for use in claiming benefits for covered hospital services received in Canada. The form obtains information needed to determine eligibility for, and the amount of any reimbursement due the applicant. One response is requested of each respondent. Completion is required to obtain a benefit.

*Previous Requests for Comments:* The RRB has already published the initial 60-day notice (73 FR 10075 on February 25, 2008) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request an extension of a currently approved collection of information: 3220-0164, Availability for Work. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine: (1) The practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Under Section 1(k) of the Railroad Unemployment Insurance Act, unemployment benefits are not payable for any day for which the claimant is not available for work.

Under Railroad Retirement Board (RRB) regulation 20 CFR 327.5, "available for work" is defined as being willing and ready for work. This section further provides that a person is "willing" to work if that person is willing to accept and perform for hire such work as is reasonably appropriate to his or her employment circumstances. The section also provides that a claimant is "ready" for work if he or she; (1) is in a position to receive notice of work and is willing to accept and perform such work, and (2) is prepared to be present with the customary equipment at the location of such work within the time usually allotted.

Under RRB regulation 20 CFR 327.15, a claimant may be requested at any time to show, as evidence of willingness to work, that he or she is making reasonable efforts to obtain work. In order to determine whether a claimant is; (a) available for work, and (b) willing to work, the RRB utilizes Forms UI-38 and UI-38s to obtain information from the claimant and Form ID-8k from his union representative. One response is completed by each respondent. The RRB proposes minor non-burden impacting editorial changes to Form(s) UI-38, UI-38s and ID-8k.
