

operation and administration of the Board, including the selection of a Chairman from among the members of the Board, the compensation of the members of the Board, and the appointment and compensation of such employees, attorneys, and consultants as may be necessary or appropriate to carry out the Board's functions under this section.¹³ Section 15B(b)(2)(C) of the Exchange Act provides that the MSRB's rules be designed to protect investors, municipal entities, obligated persons, and the public interest.¹⁴

The proposed rule change is consistent with Section 15B(b)(2)(I) of the Exchange Act¹⁵ because the amendments relating to the designation of officers of the Board, the addition of the Vice Chair to the compensation listing, the removal of the notice provision for the Chair and Vice Chair positions, and the election of the Chair and Vice Chair and appointment of other officers all deal with matters relating to the operation and administration of the Board.

The proposed rule change is also consistent with Section 15B(b)(2)(C) of the Exchange Act¹⁶ because it would protect the public interest by eliminating the notice period for resignations of the Chair and Vice Chair so that the Chair or Vice Chair could resign on shorter than ten days' notice, or no notice at all, if the circumstances would be better addressed by an accelerated departure from the Board.

B. Self-Regulatory Organization's Statement on Burden on Competition

Section 15B(b)(2)(C) of the Exchange Act requires that MSRB rules not be designed to impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Exchange Act.¹⁷ The proposed rule change relates only to the administration of the Board and would not impose requirements on dealers, municipal advisors or others. Accordingly, the MSRB does not believe that the proposed rule change would result in any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing of Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and paragraph (f) of Rule 19b-4 thereunder.¹⁹ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Procedures” or “Procedures”) to correct a drafting inconsistency.

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

ICE Clear Europe is proposing to amend Part HH of the Delivery Procedures, which addresses delivery under the monthly ICE Endex French PEG Natural Gas futures contract (“Monthly Contract”), and daily futures contract with respect to the same underlying commodity (“Daily Contract”) to correct an inconsistency in the delivery timetable for routine deliveries of Daily Contracts. Currently, the delivery timetable in Section 6.2 provides that for Daily Contracts Exchange for Physicals (“EFPs”) and Exchange for Swaps (“EFSs”) may be posted up to one hour following the cessation of trading. This is inconsistent with existing Section 3.6, which provides that with respect to Daily Contracts, EFPs and EFSs may be posted up to thirty minutes following the cessation of trading. The proposed amendment would change the delivery timetable to be consistent with Section 3.6, which sets forth the correct deadline.

(b) Statutory Basis

ICE Clear Europe believes that the proposed amendment to the Delivery Procedures is consistent with the requirements of Section 17A of the Act⁵ and the regulations thereunder applicable to it. In particular, Section 17A(b)(3)(F) of the Act⁶ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, the safeguarding of securities and funds in the custody or control of the clearing

agency or for which it is responsible, and the protection of investors and the public interest.

As discussed above, the amendment would modify Part HH of the Delivery Procedures in order to correct an inconsistency regarding the deadline for submission of EFPs and EFSs with respect to Daily Contracts. In ICE Clear Europe’s view the amendment would thus facilitate the clearing membership process, and related risk management by the Clearing House. The amendments would therefore facilitate the prompt and accurate clearing of cleared contracts and protect investors and the public interest in the sound operations of the Clearing House, consistent with the requirements of Section 17A(b)(3)(F).⁷ Further, the amendment will not affect the safeguarding of securities and funds in the custody or control of the Clearing House or for which it is responsible, within the meaning Section 17A(b)(3)(F).⁸

The proposed amendment is also consistent with relevant provisions of Rule 17Ad–22.⁹ Rule 17Ad–22(e)(10)¹⁰ provides that, “[e]ach covered clearing agency shall establish, implement, maintain and enforce written policies and procedures reasonable designed to, as applicable [. . .] establish and maintain transparent written standards that state its obligations with respect to the delivery of physical instruments, and establish and maintain operational practices that identify, monitor and manage the risks associated with such physical deliveries.” The proposed amendment, which would correct an inconsistency regarding the deadline for submission of EFPs and EFSs with respect to Daily Contracts, would not otherwise change the delivery terms and conditions for the Daily Contracts or otherwise affect the ICE Clear Europe’s existing financial resources, risk management, systems and operational arrangements supporting delivery. The amendment thus appropriately clarifies the role and responsibilities of the Clearing House and Clearing Members with respect to physical delivery. As a result, ICE Clear Europe believes the amendment is consistent with the requirements of Rule 17Ad–22(e)(10).¹¹

(B) Clearing Agency’s Statement on Burden on Competition

ICE Clear Europe does not believe the proposed amendment would have any impact, or impose any burden, on

competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed amendment to the Delivery Procedures is intended to correct an inconsistency in the delivery timetable for routine deliveries of Daily Contracts. ICE Clear Europe does not believe that the amendment would adversely affect competition among Clearing Members, materially affect the cost of clearing, adversely affect access to clearing for Clearing Members or their customers, or otherwise adversely affect competition in clearing services. Accordingly, ICE Clear Europe does not believe that the amendment would impose any impact or burden on competition that is not appropriate in furtherance of the purpose of the Act.

(C) Clearing Agency’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed amendment has not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any comments received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and paragraph (f) of Rule 19b–4¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed Rule change will (i) eliminate the Nasdaq Growth Program, at Equity 7, Section 114(j); (ii) adjust or eliminate several of the Exchange's transaction credits, at Equity 7, 118(a); (iii) add a new credit to Equity 7, Section 118(a); and (iv) re-organize, re-format, and re-state the Exchange's schedule of transaction fees and credits at Equity 7, Section 118(a).

Elimination of the Nasdaq Growth Program

The Exchange presently offers the “Nasdaq Growth Program,” as set forth in Equity 7, Section 114(j),³ which exists to incentivize members to increase the extent to which they add liquidity to the Exchange over time. Under the Nasdaq Growth Program, the Exchange provides a credit of \$0.0025 per share executed (in securities priced at \$1 or more) to members that provide a certain amount of liquidity to the Exchange and also grow the extent to which they add such liquidity over time. Specifically, a member is eligible for the credit if it both: (A) adds greater than 750,000 shares a day on average during the month through one or more of its Nasdaq Market Center MPIDs; and (B) increases its shares of liquidity provided through one or more of its Nasdaq Market Center MPIDs as a percent of Consolidated Volume⁴ by 20% versus the member's Growth Baseline or (ii) have met the growth criteria in Equity 7, Section 114(j)(1)(A) and (j)(1)(B)(i) in three separate months and maintained or increased its shares of liquidity provided through one or more of its Nasdaq Market Center MPIDs as a percent of Consolidated Volume compared to the Growth Baseline established when the member met the
