Authority: 44 U.S.C. 3506(c)(2)(A).

SUPPLEMENTARY INFORMATION: The DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The SQSP represents an approach to the unemployment insurance performance management and planning process that allows for an exchange of information between the Federal and state partners to enhance the ability of the program to reflect the joint commitment to performance excellence and client-centered services. As part of UI Performs, a comprehensive performance management system implemented in 1995 for the UI program, the SQSP is the principal vehicle that state UI agencies use to plan, record, and manage program improvement efforts as they strive for excellence in service. The SQSP, which serves as the State Plan for the UI program, also serves as the grant document through which states receive Federal UI administrative funding. The statutory basis for the SQSP is Title III, Section 302 of the Social Security Act, which authorizes the Secretary of Labor to provide funds to administer the UI programs, and Sections 303 (a) (8) and (9) which govern the expenditures of those funds. The SQSP represents an approach to tie program performance with the budget and planning process.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not
