DEPARTMENT OF THE INTERIOR

Minerals Management Service

Extension of Post-Sale Evaluation Period for Central Gulf of Mexico Lease Sale 206

AGENCY: Minerals Management Service (MMS), Interior.
ACTION: Notice to Extend Post-Sale Evaluation Period for Central Gulf of Mexico Lease Sale 206.

SUMMARY: This notice extends by 30 days, the post-sale evaluation period for Central Gulf of Mexico Lease Sale 206. The Minerals Management Service (MMS) will complete evaluating all the bids received in this sale by July 17, 2008. This action is necessary due to the unusually high number of bids received in this lease sale.

DATES: The post-sale evaluation period ends on June 17, 2008.

FOR FURTHER INFORMATION CONTACT: David Marin, Regional Supervisor, Resource Evaluation, Gulf of Mexico Region, telephone 504–736–2710.

SUPPLEMENTARY INFORMATION: In the Central Gulf of Mexico Sale 206, held March 19, 2008, we received 1057 bids on 615 tracts, 513 tracts of which passed to a second phase requiring additional detailed evaluations. The aggressive

bidding activity is due, in part, to the high number of quality prospects on recently expired unexplored tracts in newly established deepwater hydrocarbon plays and to the cost saving technological advances related to hydrocarbon exploration and development in the Gulf of Mexico’s deepwater environment. The unusually high number of bids received on a large number of tracts, and the high volume of exclusively reprocessed data identified on Sale 206, significantly increases the workload for reviewing the adequacy of bids. Consequently, MMS is unable to conduct and complete the bid review process within the 90 days, *i.e.*, by June 17, 2008. Under the provisions of § 256.47(e)(2), MMS is extending the bid evaluation period until July 17, 2008.

Dated: May 5, 2008.
Lars Herbst,
Regional Director, Gulf of Mexico OCS Region.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: Requests for copies must be received in writing on or before June 26, 2008. Once the appraisal of the records is completed, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums that contain additional information concerning the records covered by a proposed schedule. These, too, may be requested and will be provided once the appraisal is completed. Requesters will be given 30 days to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting the Life Cycle Management Division (NWML) using one of the following means:

Mail: NARA (NWML), 8601 Adelphi Road, College Park, MD 20740-6001

E-mail: requestschedule@nara.gov.

FAX: 301-837-3698.

Requesters must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and must provide a mailing address. Those who desire appraisal reports should so indicate in their request.

FOR FURTHER INFORMATION CONTACT:

Laurence Brewer, Director, Life Cycle Management Division (NWML), National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001. Telephone: 301-837-1539. E-mail: records.mgt@nara.gov.

SUPPLEMENTARY INFORMATION: Each year Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval, using the Standard Form (SF) 115, Request for Records Disposition Authority. These schedules provide for the timely transfer into the National Archives of historically valuable records and authorize the disposal of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media neutral unless specified otherwise. An item in a schedule is media neutral when the disposition instructions may be applied to records regardless of the medium in which the records are created and maintained.

Items included in schedules submitted to NARA on or after December 17, 2007, are media neutral unless the item is limited to a specific medium. (See 36 CFR 1228.24(b)(3).)

No Federal records are authorized for destruction without the approval of the Archivist of the United States. This approval is granted only after a thorough consideration of their administrative use by the agency of origin, the rights of the Government and of private persons directly affected by the Government's activities, and whether or not they have historical or other value.

Besides identifying the Federal agencies and any subdivisions requesting disposition authority, this public notice lists the organizational unit(s) accumulating the records or indicates agency-wide applicability in the case of schedules that cover records that may be accumulated throughout an agency. This notice provides the control number assigned to each schedule, the total number of schedule items, and the number of temporary items (the records proposed for destruction). It also includes a brief description of the temporary records. The records schedule itself contains a full description of the records at the file unit level as well as their disposition. If NARA staff has prepared an appraisal memorandum for the schedule, it too includes information about the records. Further information about the disposition process is available on request.
