Abstract: The Organic Act of 1916 (54 U.S.C. 100101), authorizes the NPS to regulate the use of the park areas under its jurisdiction. Consistent with the Organic Act, as well as the Constitution’s Establishment Clause which mandates government neutrality and allows the placement of holiday secular and religious displays, the National Christmas Tree Music Program’s holiday musical entertainment may include both holiday secular and religious music. To ensure that any proposed music selection is consistent with the Establishment Clause and is presented in a prudent and objective manner as a traditional part of the culture and heritage of this annual holiday event, it must be approved in advance by the NPS.

The NPS National Christmas Tree Music Program at President’s Park is intended to provide musical entertainment for park visitors during December in celebration of the holiday season. During this time, visitors can observe the National Christmas Tree, visit assorted yuletide displays, and attend musical presentations. Each year, park officials accept applications from musical groups who wish to participate in the annual National Christmas Tree Program. The NPS uses Form 10–942, “National Christmas Tree Music Program Application” to accept applications from the public for participation in the program. Park officials use the information collected to select, plan, schedule, and contact performers for the National Christmas Tree Program.
