

While changes to the Pricing Schedule pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on June 1, 2012.

2. Statutory Basis

The Exchange believes that its proposal to amend its Pricing Schedule is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act⁶ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes that the fee change is reasonable because the Exchange's collection of ORF has declined due to a decrease in industry volume and the adjustment would serve to provide the Exchange with additional ORF. The additional ORF offsets regulatory expenses, but does not exceed regulatory costs.

The Exchange believes that the ORF is equitable and not unfairly discriminatory because it is objectively allocated to Exchange members in that it would continue to be charged to all members on all of their transactions that clear as customer at OCC. The Exchange is assessing higher fees to those member firms that require more Exchange regulatory services based on the amount of customer options business they conduct. In addition, the ORF seeks to recover the costs of supervising and regulating members, including performing routine surveillances, investigations, examinations, financial monitoring, and policy, rulemaking, interpretive, and enforcement activities. The ORF is not charged for member proprietary options transactions because members incur the costs of owning memberships and through their memberships are charged transaction fees, dues and other fees that are not applicable to non-members. Additionally, the dues and fees paid by members go into the general funds of the Exchange, a portion of which is used to help pay the costs of regulation.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.⁷ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Major Issues Raised by Vietnam

On February 21, 2012, Vietnam requested consultations regarding certain antidumping administrative reviews and a sunset review conducted by the Department of Commerce on certain frozen warmwater shrimp from Vietnam, referring in particular to the use of what it describes as "zeroing" in those reviews. Specifically, Vietnam challenges (1) the imposition of antidumping duties and cash deposit requirements pursuant to the final results of the fourth administrative review for the period from February 1, 2008, to January 31, 2009, in *Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Final Results and Partial Rescission of Antidumping Duty Administrative Review*, 75 FR 47771 (August 9, 2010); (2) the fourth administrative review of *Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam* insofar as it did not revoke the antidumping duty order with respect to certain respondents requesting such revocation; (3) the imposition of antidumping duties and cash deposit requirements pursuant to the final results of the fifth administrative review
