# SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-85543; File No. SR-CboeBZX-2019-022]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Extend the Current Pilot Program Related to BZX Rule 11.17, Clearly Erroneous Executions

April 8, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), and Rule 19b—4 thereunder,<sup>2</sup>

notice is hereby given that on April 2, 2019, Cboe BZX Exchange, Inc. ("Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act 3 and Rule 19b–4(f)(6) thereunder. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

## I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. ("BZX" or the "Exchange") is filing with the Securities and Exchange Commission (the "Commission") a proposed rule change to extend the current pilot program related to BZX Rule 11.17, Clearly Erroneous Executions, to the close of business on October 18, 2019. The text of the proposed rule change is attached as Exhibit 5. [sic]

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule\_filings/bzx/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

The purpose of the proposed rule change is to extend the current pilot program related to BZX Rule 11.17, Clearly Erroneous Executions, to the close of business on October 18, 2019. This change is being proposed in connection with proposed amendments

to the Plan to Address Extraordinary Market Volatility (the "Limit Up-Limit Down Plan" or the "Plan") that would allow the Plan to continue to operate on a permanent basis.<sup>5</sup>

On September 10, 2010, the Commission approved, on a pilot basis, changes to BZX Rule 11.17 that, among other things: (i) Provided for uniform treatment of clearly erroneous execution reviews in multi-stock events involving twenty or more securities; and (ii) reduced the ability of the Exchange to deviate from the objective standards set forth in the rule.<sup>6</sup> In 2013, the Exchange adopted a provision designed to address the operation of the Plan. Finally, in 2014, the Exchange adopted two additional provisions providing that: (i) A series of transactions in a particular security on one or more trading days may be viewed as one event if all such transactions were effected based on the same fundamentally incorrect or grossly misinterpreted issuance information resulting in a severe valuation error for all such transactions; and (ii) in the event of any disruption or malfunction in the operation of the electronic communications and trading facilities of an Exchange, another SRO, or responsible single plan processor in connection with the transmittal or receipt of a trading halt, an Officer, acting on his or her own motion, shall nullify any transaction that occurs after a trading halt has been declared by the primary listing market for a security and before such trading halt has officially ended according to the primary listing market.8 These changes are currently scheduled to operate for a pilot period that coincides with the pilot period for the Limit Up-Limit Down Plan,9 including any extensions to the pilot period for the Plan.<sup>10</sup>

The Commission recently published the proposed Eighteenth Amendment to the Plan to allow the Plan to operate on a permanent, rather than pilot, basis. The Exchange proposes to amend BZX Rule 11.17 to untie the pilot program's effectiveness from that of the Plan and

to extend the pilot's effectiveness to the close of business on October 18, 2019 *i.e.*, six months after the expiration of the current pilot period for the Plan. If the pilot period is not either extended, replaced or approved as permanent, the prior versions of paragraphs (c), (e)(2), (f), and (g) shall be in effect, and the provisions of paragraphs (i) through (k) shall be null and void. 11 In such an event, the remaining sections of BZX Rule 11.17 would continue to apply to all transactions executed on the Exchange. The Exchange understands that the other national securities exchanges and Financial Industry Regulatory Authority ("FINRA") will also file similar proposals to extend their respective clearly erroneous execution pilot programs, the substance of which are identical to BZX Rule 11.17.

The Exchange does not propose any additional changes to BZX Rule 11.17. The Exchange believes the benefits to market participants from the more objective clearly erroneous executions rule should continue on a limited six month pilot basis after Commission approves the Plan to operate on a permanent basis. Assuming the Plan is approved by the Commission to operate on a permanent, rather than pilot, basis the Exchange intends to assess whether additional changes should also be made to the operation of the clearly erroneous execution rules. Extending the effectiveness of BZX Rule 11.17 for an additional six months should provide the Exchange and other national securities exchanges additional time to consider further amendments to the clearly erroneous execution rules in light of the proposed Eighteenth Amendment to the Plan.

#### 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the requirements of Section 6(b) of the Act, 12 in general, and Section 6(b)(5) of the Act, 13 in particular, in that it is designed to remove impediments to and perfect the mechanism of a free and open market and a national market system, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest and not to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange believes that the proposed rule change promotes just and

equitable principles of trade in that it promotes transparency and uniformity across markets concerning review of transactions as clearly erroneous. The Exchange believes that extending the clearly erroneous execution pilot under BZX Rule 11.17 for an additional six months would help assure that the determination of whether a clearly erroneous trade has occurred will be based on clear and objective criteria, and that the resolution of the incident will occur promptly through a transparent process. The proposed rule change would also help assure consistent results in handling erroneous trades across the U.S. equities markets, thus furthering fair and orderly markets, the protection of investors and the public interest. Based on the foregoing, the Exchange believes the amended clearly erroneous executions rule should continue to be in effect on a pilot basis while the Exchange and the other national securities exchanges consider and develop a permanent proposal for clearly erroneous execution reviews.

## B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposal would ensure the continued, uninterrupted operation of harmonized clearly erroneous execution rules across the U.S. equities markets while the Exchange and other national securities exchanges consider further amendments to these rules in light of the proposed Eighteenth Amendment to the Plan. The Exchange understands that the other national securities exchanges and FINRA will also file similar proposals to extend their respective clearly erroneous execution pilot programs. Thus, the proposed rule change will help to ensure consistency across market centers without implicating any competitive issues.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No comments were solicited or received on the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act <sup>14</sup> and subparagraph (f)(6) of Rule 19b–4 thereunder. <sup>15</sup>

A proposed rule change filed under Rule 19b-4(f)(6) 16 normally does not become operative prior to 30 days after the date of the filing. However, Rule 19b-4(f)(6)(iii) 17 permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become effective and operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow the current clearly erroneous execution pilot program to continue uninterrupted, without any changes, while the Exchange and the other national securities exchanges consider and develop a permanent proposal for clearly erroneous execution reviews. For this reason, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.<sup>18</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

#### IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.

<sup>11</sup> See supra notes 6–8. The prior versions of paragraphs (c), (e)(2), (f), and (g) in effect before the 2010 changes to the rule generally provided greater discretion to the Exchange with respect to breaking erroneous trades.

<sup>&</sup>lt;sup>13</sup> 15 U.S.C. 78f(b)(5).

<sup>&</sup>lt;sup>14</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>&</sup>lt;sup>15</sup> 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>&</sup>lt;sup>17</sup> 17 CFR 240.19b-4(f)(6)(iii).

<sup>&</sup>lt;sup>18</sup> For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

# **SECURITIES AND EXCHANGE** COMMISSION

[Release No. 34-85553; File No. SR-NYSEAMER-2019-09]

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and **Immediate Effectiveness of Proposed** Change To Amend the NYSE American **Options Fee Schedule** 

April 8, 2019.

Pursuant to Section 19(b)(1) 1 of the Securities Exchange Act of 1934 ("Act") 2 and Rule 19b-4 thereunder,3 notice is hereby given that, on March 27, 2019, NYSE American LLC ("NYSE American" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the selfregulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

# I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE American Options Fee Schedule ("Fee Schedule"). The Exchange proposes to implement the fee change effective April 1, 2019. The proposed change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

# II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

## 1. Purpose

The purpose of this filing is to modify the Fee Schedule to introduce a Floor Broker Volume Rebate Program ("FB Volume Rebate'') for Floor Broker organizations (each a "Floor Broker").

The Exchange proposes to offer Floor Brokers the opportunity to qualify for a \$5,000 rebate each month that the Floor Broker increases its Average Daily Volume ("ADV") by a certain percentage over one of two benchmarks. Specifically, a Floor Broker may qualify for the FB Volume Rebate by increasing its contract sides in billable manual ADV by at least 50% over the greater of:

(i) 20,000 contract sides in billable

manual ADV; or

(ii) The Floor Broker's total billable manual ADV in contract sides during the second half of 2018—i.e., July

through December 2018.

As proposed, the Exchange would exclude Customer volume, Firm Facilitation trades, and QCCs from the calculation of a Floor Broker's billable manual ADV for purposes of the FB Volume Rebate. In addition, the Exchange proposes to exclude from the FB Volume Rebate any volume included in the calculation to achieve the Firm Monthly Fee Cap and the Strategy Execution Fee Cap, regardless of whether either of these caps is achieved, because fees on such volume are already capped and therefore such volume does not increase billable manual volume.

For example, if a Floor Broker achieves 30,000 contract sides (i.e., an increase of 50% over 20,000—the minimum volume requirement under the first benchmark), that Floor Broker would qualify for the monthly \$5,000 FB Volume Rebate. However, if that Floor Broker's billable manual ADV in contract sides during the second half of 2018 was 30,000, that Floor Broker would have to achieve at least 45,000 contract sides (i.e., an increase of 50% over 30,000) to receive the rebate—as the FB Volume Rebate applies to the "50% over the greater of" the two benchmarks, which in this case would be the Floor Broker's 2018 second half of year volume.

As described above, the Exchange proposes to enumerate which volume would be excluded from the calculation for the FB Rebate Volume. If not specifically enumerated, volume would be eligible to be included in the calculation. For example, Floor Brokers that participate in the Floor Broker Fixed Cost Prepayment Incentive
