Abstract: Veterans Upward Bound (VUB), one of the U.S. Department of Education's Upward Bound programs, is designed to motivate and assist veterans in developing academic and other requisite skills necessary for acceptance and success in a program of postsecondary education. The program provides assessment and enhancement of basic skills through counseling, mentoring, tutoring and academic instruction in the core subject areas. The primary goal of the program is to increase the rate at which participants enroll in and complete postsecondary education programs.

All Veterans Upward Bound projects must provide instruction in mathematics through pre-calculus, laboratory science, foreign language, composition, and literature. Projects may also provide short-term remedial or refresher courses for veterans who are high school graduates but have delayed pursuing postsecondary education. Projects are also expected to assist
