Title of Proposal: Fair Housing Training Survey.

OMB Control Number, if applicable: 2529-New.

Description of the need for the information and proposed use:

The information collected from these surveys will be used to determine if

education and outreach training conferences were useful to the participants and advanced the goals of our office. The hope is that by attending the training these organizations learned more about rights protected by the Fair Housing Act and other fair housing law. The questions also ask about the impact the training has had on the organization's activities. For example, the survey asks whether or not the organization have filed, or helped someone file a fair housing complaint since the training. This information will allow FHEO to assess the success of the education and outreach events and the worth of conducting this type of outreach in the future.

Agency form numbers, if applicable: None.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of burden hours is about 100 hours (6000 minutes) to complete the survey. This burden was calculated by estimating that the total number of people to receive the survey will be 700 people per year. The predicted number of people to respond to the survey is 600 people per year. The survey should take around 10 minutes to complete, creating a total time burden of 6000 minutes.

Status of the proposed information collection: This is a new collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: November 27, 2012.

Assistant Secretary for Fair Housing and Equal Opportunity.
