A. Overview of Information Collection

Title of Information Collection: Evaluation of Cohort 1 of the Moving to Work Demonstration Program Expansion.

OMB Approval Number: 2528-0328.

Type of Request: Revision of currently approved collection.

Form Number: N/A.

Description of the need for the information and proposed use: The Office of Policy Development and Research (PD&R), at the U.S. Department of Housing and Urban Development (HUD), is proposing this collection of information for the *Evaluation of Cohort 1 of the Moving to Work Demonstration Program Expansion*.

Moving to Work (MTW) is a demonstration program that encourages public housing agencies (PHAs) to test ways to achieve three specific objectives: (1) increase the cost effectiveness of federal housing programs, (2) increase housing choice for low-income families, and/or (3) encourage greater self-sufficiency of households receiving housing assistance. MTW designation gives PHAs relief from many of the regulations and statutory provisions that apply to the public housing and Housing Choice Voucher (HCV) programs. MTW agencies can also merge their public housing and HCV funds into a single block grant and use these funds (if desired) for local activities outside of the typical public housing
