In the *Federal Register* of May 12, 2021, in FR Doc 2021–09965, on page 26002, in the second column, correct the “Suspension of Liquidation” section to add the following second and third paragraphs which had been omitted:

(a.k.a. Inner Mongolia Fufeng Biotechnologies Co., Ltd.)/Shandong Fufeng Fermentation Co., Ltd./Xinjiang Fufeng Biotechnologies Co., Ltd. (collectively, Fufeng).

SUPPLEMENTARY INFORMATION:

Background

Commerce published the *Preliminary Results* of this review on August 14, 2018.¹ On September 21, 2018, Fufeng,² a mandatory respondent, and Tate and Lyle, a U.S. importer, filed case briefs.³

No other interested parties filed comments on the *Preliminary Results* of review.

Pursuant to a series of remand orders and the Court of International Trade (CIT)'s final judgment regarding the underlying less-than-fair-value (LTFV) investigation, Commerce amended its final determination and prior amended final determination and *Order* and excluded merchandise produced and exported by Fufeng from the *Order*.⁴ Accordingly, on December 19, 2018, Commerce published the *Final Results* of this review, in which it discontinued the review of Fufeng during the pendency of the appeals process.⁵

On February 10, 2020, the Court of Appeals for the Federal Circuit (CAFC) reversed the CIT's decision that resulted in the exclusion of Fufeng from the *Order*.⁶ Accordingly, Commerce issued a third amended final determination in the LTFV investigation of xanthan gum from China, in which it found Fufeng subject to the *Order* and announced its intention to resume the instant review

of Fufeng.⁷ Commerce is now amending its final results of this administrative review by completing the administrative review with respect to Fufeng.

Scope of the Order

The scope of the *Order* covers dry xanthan gum, whether or not coated or blended with other products. Further, xanthan gum is included in the *Order* regardless of physical form, including, but not limited to, solutions, slurries, dry powders of any particle size, or unground fiber. Merchandise covered by the scope of the *Order* is classified in the Harmonized Tariff Schedule of the United States at subheading 3913.90.20. Although this tariff classification is provided for convenience and customs purposes, the written description of the scope remains dispositive.⁸

Analysis of Comments Received

All issues raised in Fufeng's case brief are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. We have included a list

of sections in the Issues and Decision Memorandum in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. Disclosure

Commerce intends to disclose to the parties to the proceeding the calculations that it performed for these amended final results of review within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate POR entries of subject merchandise from Fufeng without regard to antidumping duties. For entries that

were not reported in the U.S. sales database submitted by Fufeng, but that were entered under Fufeng's case number (*i.e.*, at Fufeng's cash deposit rate), Commerce will instruct CBP to liquidate such entries at the China-wide rate (*i.e.*, 154.07 percent).

Consistent with its recent notice,⁹ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these amended final results of this review in the **Federal Register**. If a timely summons is filed at the CIT, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a

statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these amended final results of this review, as provided for by section 751(a)(2)(C) of the Act: (1) For Fufeng, the cash deposit rate will be the weighted-average dumping margin percentage that is listed in the table above; (2) for previously investigated or reviewed China and non-China

Notification to Importers Regarding the Reimbursement of Duties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders (APOs)

This notice also serves as a reminder to parties subject to APOs of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this notice of amended final results of administrative review in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(5).
