Privacy Act of 1974: System of Records

AGENCY: Department of Commerce.

ACTION: Notice of amendment of Privacy Act System of Records; Commerce/ Census System 5: Population and Housing Census Records of the 1960 and Subsequent Censuses.

SUMMARY: In accordance with the Privacy Act (5 U.S.C. 552a(e) (4) and (11), the Department of Commerce is issuing notice of our intent to amend the system of records entitled Commerce/ Census-5, "Population and Housing Census Records of the 1960 and Subsequent Censuses." We invite public comment on the change to the system of records announced in this notice.

DATES: *Effective Date:* The system will become effective without further notice on August 2, 2002, unless comments dictate otherwise. *Comment Date:* To be

considered, written comments must be submitted on or before August 2, 2002.

ADDRESSES: Comments may be mailed to Gerald W. Gates, Chief, Policy Office, U.S. Census Bureau, Washington, DC 20233.

SUPPLEMENTARY INFORMATION: Pursuant to Title 13 of the United States Code, Section 141, the U.S. Census Bureau has conducted the 2000 Census. The amendment updates administrative information concerning the locations of the system files, the categories of individuals covered by the system, the categories of records in the system, the purpose of the system of records, retrievability, safeguards, and the disposal of the records in the system in addition to other minor administrative updates. Accordingly, the Population and Housing Census Records of the 1960 and Subsequent Censuses system notice originally published at 45 FR 82105, December 12, 1980, is amended by the addition of the following information updates.

The Department of Commerce finds no probable or potential effect of the proposed change to the system of records on the privacy of individuals. Respondent data including personally identifying data are captured as images suitable for computer processing. Images are scheduled for permanent retention. Original data sources are destroyed, according to the disposal procedures for Title 13 ("census confidential") records, after confirmation of successful data capture and data transmission to headquarters. The Individual Census Record File (ICRF) represents a unified record of individual responses, including all names and other written entries provided by the respondent, and all associated address and geographic information for each housing unit or person living in group quarters. Fresh Garlic From the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of Certain New Shipper Antidumping Duty Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for the preliminary results of certain new shipper antidumping duty reviews.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of two new shipper reviews of the antidumping duty order on fresh garlic from the People's Republic of China. This extension applies to the new shipper reviews for two producers/exporters, Jinan Yipin Corporation, Ltd., and Shandong Heze International Trade and Developing Company. The period of review is November 1, 2000, through October 31, 2001.

EFFECTIVE DATE: July 3, 2002.

FOR FURTHER INFORMATION CONTACT: Jennifer Moats or Brian Ellman, Office of AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-5047 or (202) 482-4852, respectively.

SUPPLEMENTARY INFORMATION:**The Applicable Statute**

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's (the Department's) regulations are to 19 CFR Part 351 (2001).

Extension of Time Limit for Preliminary Results for New Shipper Reviews

On November 29, 2001, Shandong Heze International Trade and Developing Company requested a new shipper review, in accordance with section 751(a)(2)(B) of the Act and section 351.214(b) of the Department's regulations, of exports of its merchandise to the United States. Jinan Yipin Corporation, Ltd., also requested such a review of its exports to the

United States on November 30, 2001. On January 7, 2002, the Department initiated new shipper reviews for these companies. See *Fresh Garlic From the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews*, 67 FR 715 (Jan. 7, 2002). The Department also initiated a new shipper review of exports of Huaiyang Hongda Dehydrated Vegetable Company (Hongda) to the United States. However, we have since determined that it is appropriate to rescind the review of Hongda. See *Fresh Garlic From the People's Republic of China: Rescission of New Shipper Review and Initiation of New Shipper Review*, published concurrently with this notice. The deadline for completing the preliminary results of these new shipper reviews currently is June 26, 2002.

A number of complex factual and legal questions related to the calculation of dumping margins have arisen in the new shipper reviews. Because a margin has not been calculated during an earlier segment of this proceeding, numerous issues have been raised and commented upon by the petitioner and a respondent concerning the factors of production and the valuation of those factors. In addition, in the case of both Jinan Yipin and Shandong Heze, we are still evaluating their responses to the original questionnaire and two supplemental questionnaires. Therefore, we find that the new shipper reviews are extraordinarily complicated and it is not practicable to complete these reviews within the time limits mandated by section 751(a)(2)(B)(iv) of the Act. As a result, we are extending the time limit for the preliminary results of these reviews to July 24, 2002.

Dated: June 26, 2002

Richard W. Moreland,

Deputy Assistant Secretary for AD/CVD Enforcement I.
