

review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because it will have a beneficial, but small, impact. Under the prior policy and clause, small businesses which failed to follow the fast payment clause instructions to mark the invoice "FAST PAY" had their invoices rejected, which means they would not be paid until they sent a corrected invoice. The clause revisions mean the invoices would not have to be automatically rejected. No comments were received from small entities or other members of the public.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
