

numbers from the registry. Second, an operator of automatic dialing equipment (OADE) is prohibited from contacting any number on the PSAP registry. Each OADE must register for access to the PSAP registry by providing contact information which includes name, business address, contact person, telephone number, email, and all outbound telephone numbers used to place autodialed calls. All such contact information must be updated within 30 days of any change. In addition, the OADE must certify that it is accessing the registry solely to prevent autodialed calls to numbers on the registry. An OADE must access and employ a version of the PSAP registry obtained from the registry administrator no more than 31 days prior to the date any call is made, and maintain record documenting this process. No person or entity may sell, rent, lease, purchase, share, or use the PSAP registry for any purpose expect to comply with our rules prohibiting contact with numbers on the registry.
