SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 0-2, Form ADV-NR; OMB Control No. 3235-0240, SEC File No. 270-214.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

The title for the collection of information is "Rule 0-2 and Form ADV-NR" under the Investment Advisers Act of 1940. Rule 0-2 and Form ADV-NR facilitate service of process to non-resident investment

advisers and exempt reporting advisers and their non-resident general partners or non-resident managing agents. The Form requires these persons to designate the Commission as agent for service of process. The purpose of this collection of information is to enable the commencement of legal and or regulatory actions against investment advisers and exempt reporting advisers that are doing business in the United States, but are not residents.

The respondents to this information collection would be each non-resident general partner or non-resident managing agent of an SEC-registered adviser and each non-resident general partner or non-resident managing agent of an exempt reporting adviser. The Commission has estimated that compliance with the requirement to complete Form ADV-NR imposes a total burden of approximately 1.0 hours for an adviser. Based on our experience with these filings, we estimate that we will receive 47 Form ADV-NR filings annually. Based on the 1.0 hours per respondent estimate, the Commission staff estimates a total annual burden of 47 hours for this collection of information.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication. An agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

Please direct your written comments to Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.
