

the identification of the pertinent item number of the Harmonized Tariff Schedule of the United States (HTSUS) under which the product is classified. The HTSUS number for the relevant product should be provided at the 8-digit level. Further, petitions requesting CNL waivers for GSP-eligible articles that exceed the CNLs in 2008 must be filed in the 2008 Annual Review. In order to allow petitioners an opportunity to review additional 2008 U.S. import statistics, these petitions may be filed after Wednesday, June 18, 2008, but must be received on or before Thursday, November 13, 2008, in order to be considered in the 2008 Annual Review. Copies will be made available for public inspection after the November 13, 2008, deadline.

B. Requirements for Submissions

Petitions must be submitted, in English, to the Chairman of the GSP Subcommittee of the Trade Policy Staff Committee (TPSC) by the deadline set forth in this notice.

Any person or party making a submission is strongly advised to review the GSP regulations and GSP Guidebook (available at: http://www.ustr.gov/Trade_Development/Preference_Programs/GSP/General_GSP_Program_Information/Section_Index.html). Petitions with respect to waivers of the "competitive need limitations" must meet the relevant information requirements listed in sections 2007.1 (a) and (c) of the GSP regulations. Furthermore, interested parties submitting petitions that request action with respect to specific products should list on the first page of the petition the following information after typing "2008 Annual GSP Review": (1) The requested action to waive the competitive need limits; (2) the HTSUS 8-digit subheading in which the product is classified; and (3) the beneficiary developing country.

In order to facilitate prompt consideration of submissions, USTR requires the petitions to be set out in digital files attached to e-mails transmitted to the following address: FR0807@ustr.eop.gov (Note: The digit before the number "8" in the e-mail address is the number "zero" and not a letter.) If you are unable to provide submissions by e-mail, please contact Regina Teeter at USTR's GSP Office at (202) 395-6971 to arrange for an alternative method of transmission. For security reasons, hand-delivered submissions will not be accepted. E-mail submissions should be single copy transmissions in English with the total submission including attachments not to exceed 30 single-spaced standard

letter sized pages in 12-point type and three megabytes as a digital file attached to an e-mail transmission. E-mails should use the following subject line: "2008 Annual GSP Review-CNLW Petition." The transmittal message or cover letter accompanying a submission must be set out exclusively in the digital file attached to the e-mail—not in the message portion of the e-mail—and must include the sender's name, organization name, address, telephone and fax numbers, and e-mail address.

Digital files must be submitted in one of the following formats: WordPerfect ("*.WPD"), MSWord ("*.DOC"), text ("*.TXT"), or Adobe ("*.PDF") files. Documents cannot be submitted as electronic image files or contain embedded images (for example, "*.JPG", "*.TIF", "*.BMP", or "*.GIF"). Spreadsheet data may be submitted as Excel files, formatted for printing on 8½ x 11 inch paper. To the extent possible, any data accompanying the submission should be included in the same file as the submission itself, and not in a separate file.

If the submission contains business confidential information that the submitter wishes to protect from public disclosure, the confidential version must be marked "BUSINESS CONFIDENTIAL" at the top and bottom of each page. In addition, the submission must be accompanied by a non-confidential version that indicates, with asterisks, where confidential information was redacted or deleted. The top and bottom of each page of the non-confidential version must be marked either "PUBLIC VERSION" or "NON-CONFIDENTIAL". Business confidential comments that are submitted without the required markings or are not accompanied by a properly marked non-confidential version as set forth above may not be accepted or may be treated as public documents.

The digital file name assigned to any business confidential version of a submission should begin with the characters "BC-", and the file name of the public version should begin with the characters "P-". The "P-" or "BC-" should be followed by the name of the person (government, company, union, association, etc.) making the submission.

Public versions of all documents in response to this notice will be available for review approximately one week after the due date by appointment in the USTR public reading room, 1724 F Street, NW., Washington, DC. Appointments may be made from 9:30 a.m. to noon and 1 p.m. to 4 p.m.,

Monday through Friday, by calling (202) 395-6186.

Executive Director, GSP Program, Chairman, GSP Subcommittee of the Trade Policy Staff Committee.
