ACTION: Notice.

SUMMARY: The Federal Communications Commission seeks comment on The Weather Channel's request for clarification regarding the aural tone requirements of the Commission's video description rules. The Weather Channel seeks clarification that it is in compliance with the rules when it provides an aural tone prior to the first time it provides a particular crawl or scroll; in other words, The Weather Channel seeks clarification that it need not accompany each otherwise identical crawl or scroll with an aural tone. In the alternative, it seeks an exemption from the rules.
