[Investigation No. 337-TA-449]

### In the Matter of Certain Abrasive Products Made Using a Process for Making Powder Preforms, and Products Containing Same; Notice of Commission Decision Not To Review an Initial Determination Amending the Complaint and Notice of Investigation

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ's") initial determination ("ID") amending the complaint and notice of investigation in the above-captioned investigation to include allegations of infringement of additional claims of the patent in issue.

**FOR FURTHER INFORMATION CONTACT:** Donnette Rimmer, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-0663. Hearing impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal at (202) 205-1810. General information concerning the Commission may also be obtained by accessing the Commission's internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's

electronic docket (EDIS-ON-Line) at <http://dockets.usitc.gov/eol/public>.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on February 6, 2001, based on a complaint filed on behalf of Minnesota Mining and Manufacturing Co. of St. Paul, Minnesota and Ultimate Abrasive systems, L.L.C. of Atlanta, Georgia. The complaint named two respondents, Kinik Company of Taipei, Taiwan and Kinik Corporation of Anaheim, California.

On June 8, 2001, complainants filed a motion pursuant to Commission rule 210.14 for an order amending the complaint and notice of investigation by including allegations of infringement of dependent claims 4, 5, and 8 of U.S. Letters Patent 5,620,489, in addition to independent claim 1 of that patent that is already in issue. Respondents opposed the motion and the Commission investigative attorney supported it. On June 19, 2001, the presiding ALJ issued an ID (Order No. 16) granting the motion. No party petitioned for review of the ID.

The authority for the Commission's action is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337) and in section 210.42 of the Commission's rules of practice and procedure (19 CFR 210.42). Copies of the ALJ's ID and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., DC 20436, telephone (202) 205-2000.

Issued: July 10, 2001.

By Order of the Commission.

**Investigations Nos. 731-TA-943-947 (Preliminary)]**

### Circular Welded Non-Alloy Steel Pipe From China, Indonesia, Malaysia, Romania, and South Africa

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission

determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. § 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is threatened with material injury by reason of imports from China of circular welded non-alloy steel pipe,<sup>2</sup> provided for in subheadings 7306.30.10 and 7306.30.50 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV). The Commission also determines<sup>3</sup> that there is no reasonable indication that an industry in the United States is materially injured or threatened with material injury, or that the establishment of an industry in the United States is materially retarded, by reason of imports from Indonesia, Malaysia, Romania, and South Africa of circular welded non-alloy steel pipe, provided for in subheadings 7306.30.10 and 7306.30.50 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at LTFV.

#### Commencement of Final Phase Investigation

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigation with respect to China. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in § 207.21 of the Commission's rules, upon notice from the Department of Commerce of an affirmative preliminary determination in the investigation under section 733(b) of the Act, or, if its preliminary determination is negative, upon notice of an affirmative final determination in that investigation under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigation with respect to China. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.
