

appropriation and Section 108 of the IHCA not to exceed the amount authorized in the IHS appropriation (up to \$32,000,000 for FY 2013). In order to ensure compliance with the statutes, Area Offices or Service Units providing additional funding under this section are responsible for notifying the LRP of such payments before funding is offered to the LRP participant.

Should an IHS Area Office contribute to the LRP, those funds will be used for only those sites located in that Area. Those sites will retain their relative ranking from the national site-ranking list. For example, the Albuquerque Area Office identifies supplemental monies for dentists. Only the dental positions within the Albuquerque Area will be funded with the supplemental monies consistent with the national ranking and site index within that Area.

Should an IHS Service Unit contribute to the LRP, those funds will be used for only those sites located in that Service Unit. Those sites will retain their relative ranking from the national site-ranking list. For example, Whiteriver Service Unit identifies supplemental monies for nurses. The Whiteriver Service Unit consists of two facilities, namely the Whiteriver PHS Indian Hospital and the Cibecue Indian Health Center. The national ranking will be used for the Whiteriver PHS Indian Hospital (Score = 79) and the Cibecue Indian Health Center (Score = 95). With a score of 95, the Cibecue Indian Health Center would receive priority over the Whiteriver PHS Indian Hospital.
