[Docket No. ES05-34-000]

Neptune Regional Transmission; Notice of Application for Issuance of Securities

July 5, 2005.

Take notice that on July 5, 2005, Neptune Regional Transmission System, L.L.C. submitted an application pursuant to section 204 of the Federal Power Act requesting that the Commission authorize it to (i) issue up to \$550 million in senior secured notes; (ii) incur reimbursement obligations in the form of senior secured loans with respect to drawings made under letters of credit issued on behalf of Neptune with a face value of up to \$52 million; and (iii) issue limited liability company membership interests. The Applicant has requested that the Commission issue an order no later than July 12, 2005.

Any person desiring to intervene or to protest in the above proceeding must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 pm Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an eRegistration account using the
