

The CAFTA–DR Implementation Act requires the President to establish procedures governing the submission of a request and providing opportunity for interested entities to submit comments and supporting evidence before a commercial availability determination is made. In Presidential Proclamation 7987, the President delegated to CITA the authority under section 203(o)(4) of CAFTA–DR Implementation Act for modifying the Annex 3.25 list. Pursuant to this authority, on September 15, 2008, CITA published modified procedures it would follow in considering requests to modify the Annex 3.25 list of products determined to be not commercially available in the territory of any Party to the CAFTA–DR (*Modifications to Procedures for Considering Requests Under the Commercial Availability Provision of the Dominican Republic–Central America–United States Free Trade Agreement*, 73 FR 53200) (“CITA’s Procedures”).

On June 12, 2025, CITA received a Commercial Availability Request (“Request”) from Fechheimer Brothers Co. (“Fechheimer”) for certain 100 percent polyester monofilament yarn, as specified below. On June 16, 2025, in accordance with CITA’s Procedures, CITA notified interested parties of the Request, which was posted on the dedicated website for CAFTA–DR Commercial Availability proceedings. In its notification, CITA advised that any Response with an Offer to Supply (“Response”) must be submitted by June 26, 2025, and any Rebuttal to a Response (“Rebuttal”) must be submitted by July 2, 2025, in accordance with sections 6 and 7 of CITA’s Procedures. No interested entity submitted a Response to the Request advising CITA of its objection to the Request with an offer to supply the subject product.

In accordance with section 203(o)(4)(C) of the CAFTA–DR Implementation Act, and section 8(c)(2) of CITA’s Procedures, as no interested entity submitted a Response objecting to the Request and providing an offer to supply the subject product, CITA has determined to add the specified yarn to the list in Annex 3.25 of the CAFTA–DR.

The subject product has been added to the list in Annex 3.25 of the CAFTA–DR Agreement in unrestricted quantities. A revised list has been posted on the dedicated website for CAFTA–DR Commercial Availability proceedings, at <https://otexaproducts.trade.gov/otexacpublicsite/shortsupply/cafta>.

#### **Inland Waterways Users Board Second Request for Nominations**

**AGENCY:** Department of the Army, U.S. Army Corps of Engineers, DoD.

**ACTION:** Notice of open Federal advisory committee second request for nominations.

**SUMMARY:** The Department of the Army is publishing this second notice to request nominations to serve as representatives on the Inland Waterways Users Board (“Board”), sponsored by the U.S. Army Corps of Engineers. The Board provides independent advice and recommendations to the Secretary of the Army and the Congress. The Secretary of the Army recommends its 11 (eleven) representative organizations to the Secretary of Defense for approval. This notice is to solicit nominations for eleven (11) appointments for terms that will begin by February 16, 2026. For additional information about the Board, please visit the committee’s website at <http://www.iwr.usace.army.mil/Missions/Navigation/Inland-Waterways-Users-Board/>.

**ADDRESSES:** Institute for Water Resources, U.S. Army Corps of Engineers, ATTN: Mr. Paul D. Clouse, Designated Federal Officer (DFO) for the Inland Waterways Users Board, CEIWR–NDC, 7701 Telegraph Road, Casey Building (Room I–204), Alexandria, Virginia 22315–3868; by telephone at 202–768–3157; and by email at [Paul.D.Clouse@usace.army.mil](mailto:Paul.D.Clouse@usace.army.mil).

**FOR FURTHER INFORMATION CONTACT:** Alternatively, contact Mr. Steven D. Riley, the Alternate Designated Federal Officer (ADFO), in writing at the Institute for Water Resources, U.S. Army Corps of Engineers, ATTN: CEIWR–GW,

7701 Telegraph Road, Casey Building, Alexandria, VA 22315–3868; by telephone at 703–659–3097; and by email at [Steven.D.Riley@usace.army.mil](mailto:Steven.D.Riley@usace.army.mil).

**SUPPLEMENTARY INFORMATION:** The selection, service, and appointment of representative organizations to the Board are covered by provisions of section 302 of Public Law 99–662, as amended (33 U.S.C. 2251). The substance of those provisions is as follows:

*a. Selection.* Representative organizations are to be selected from the spectrum of commercial carriers and shippers using the inland and intracoastal waterways, to represent geographical regions, and to be representative of waterborne commerce as determined by commodity ton-mile statistics.

*b. Service.* The Board is required to meet at least semi-annually to develop and make recommendations to the Secretary of the Army on waterways construction and major rehabilitation priorities and spending levels for commercial navigation improvements; advise and make recommendations to Congress regarding any feasibility report for a project on the inland waterways that has been submitted to Congress; advise and make recommendations to Congress regarding an increase in the authorized cost of inland waterways features and components; advise and make recommendations to Congress regarding construction, rehabilitation, and spending levels after submission of the budget proposal of the President to Congress; and report its recommendations annually to the Secretary and Congress. Additionally, the Board provides advice and recommendations on the development of a twenty (20) year capital improvement program submitted to Congress every five (5) years.

*c. Appointment.* The operation of the Board and appointment of representative organizations are subject to chapter 10, 5 U.S.C. (commonly known as the Federal Advisory Committee Act) and departmental implementing regulations. Individuals invited or appointed to serve on the Board, or its subcommittees must be U.S. citizens and are appointed pursuant to 33 U.S.C. 2251(f)(2). The members of the Board serve as representative members and shall be appointed pursuant to 41 CFR 102–3.130(a), and in accordance with DoD policy and procedures. Representative organizations serve without compensation but their expenses due to Board activities are reimbursable pursuant to 33 U.S.C. 2251(f)(3). The

considerations specified in 33 U.S.C. 2251 for the selection of representative organizations to the Board, and certain terms used therein, have been interpreted, supplemented, or otherwise clarified as follows:

(1) *Carriers and Shippers.* 33 U.S.C. 2251 uses the terms “primary users and shippers.” Primary users have been interpreted to mean the providers of transportation services on inland waterways such as barge or towboat operators. Shippers have been interpreted to mean the purchasers of such services for the movement of commodities they own or control. Representative companies are appointed to the Board, and they must be either a carrier or shipper or both. For that purpose, a trade or regional association is neither a shipper nor primary user.

(2) *Geographical Representation.* The law specifies “various” regions. For the purposes of the Board, the waterways subjected to fuel taxes and described in Public Law 95–502, as amended, have been aggregated into six regions. They are (1) the Upper Mississippi River and its tributaries above the mouth of the Ohio; (2) the Lower Mississippi River and its tributaries below the mouth of the Ohio and above Baton Rouge; (3) the Ohio River and its tributaries; (4) the Gulf Intracoastal Waterway in Louisiana and Texas; (5) the Gulf Intracoastal Waterway east of New Orleans and associated fuel-taxed waterways including the Tennessee-Tombigbee, plus the Atlantic Intracoastal Waterway below Norfolk; and (6) the Columbia-Snake Rivers System and Upper Willamette. The intent is that each region shall be represented by at least one representative organization, with that representation determined by the regional concentration of the firm’s traffic on the waterways.

(3) *Commodity Representation.* Waterway commerce has been aggregated into six commodity categories based on “inland” ton-miles shown in Waterborne Commerce of the United States. These categories are (1) Farm and Food Products; (2) Coal and Coke; (3) Petroleum, Crude and Products; (4) Minerals, Ores, and Primary Metals and Mineral Products; (5) Chemicals and Allied Products; and (6) All Other. A consideration in the selection of representative organizations to the Board will be that the commodities carried or shipped by those firms will be reasonably representative of the above commodity categories.

d. *Nomination.* Individuals, firms, or associations may nominate representative organizations to serve on the Board. Nominations will:

(1) Include the commercial operations of the carrier and/or shipper representative organization being nominated. This commercial operations information will show the actual or estimated ton-miles of each commodity carried or shipped on the inland waterways system in the most recent year (or years), using the waterway regions and commodity categories previously listed. Only ton-miles will be accepted.

(2) State the region(s) to be represented.

(3) State whether the nominated representative organization is a carrier, shipper or both.

(4) Provide the name of an individual to be the principal person representing the organization and information pertaining to their personal qualifications, to include a current within six months biography or resume.

Previous nominations received in response to the published document 2025–07787 (90 FR 18971) in the **Federal Register** filed on May 2, 2025, will be retained for consideration. Previous nominations received prior to May 2, 2025, will not be retained for consideration.

e. *Deadline for Nominations.* All nominations must be received at the address shown above no later than August 3, 2025.
