Notice of Lodging of Consent Decree Pursuant to The Clean Water Act

In accordance with 28 CFR 50.7, 38 FR 19029, notice is hereby given that on August 23, 2012, a Modified Consent Decree was lodged with the United States District Court for the District of Massachusetts in *United States of America and Commonwealth of Massachusetts v. City of Gloucester, Massachusetts*, Civil Action No. 89–2206–WGY (D. Mass.). The Modified Consent Decree addresses, among other things, alleged violations of the federal Clean Water Act, 33 U.S.C. 1251, *et seq.*, and the Massachusetts Clean Waters Act, Mass. Gen. Laws ch. 21, § 42. The Modified Consent Decree requires Gloucester to: (1) Adjust the existing Combined Sewer Overflows schedule to accommodate information collected during construction of currently required projects; (2) more accurately characterize drainage basin overflows and propose mitigation measures; and (3) incorporates a milestone for completing upgrades to the City's treatment plant. Under the proposed modified consent decree, Gloucester will not pay a civil penalty because the EPA has determined that the Gloucester is unable to pay a civil penalty.

For a period of thirty (30) days from the date of this publication, the United States Department of Justice will receive comments relating to the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, and should either be emailed to pubcommentees.enrd@usdoj.gov or mailed to P.O. SUPPLEMENTARY INFORMATION: The Unemployment Compensation for Federal Employees Act, 5 U.S.C. 8501, *et seq.*, requires State Workforce Agencies (SWAs) to administer the Unemployment Compensation for Federal Employees (UCFE) Program in accordance with the same terms and provisions of the paying State's unemployment insurance law that apply to unemployed claimants who worked in the private sector. Each SWA must be able to obtain certain information (wage and separation data) about each claimant for UCFE benefits to enable an eligibility determination. The DOL has prescribed forms to enable SWAs to obtain this necessary information. Each of these forms is essential to the UCFE claims process. SWAs may customize these model forms, as needed, to collect the necessary information required to operate the UCFE program.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205–0179. The current approval is scheduled to expire on August 31, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.
