

Applicants' Conditions

Applicants agree that any order granting the requested relief would be subject to the following conditions:

1. Each Fund will adopt an Advisory Agreement that specifies that its Adviser may opt to receive Shares in lieu of cash payment of Advisory Fees. Such Advisory Agreement will contain:

a. A precise formula for determining the number of Shares to be issued as compensation to the Adviser for each applicable Fee Calculation Period, including the date upon which the calculation shall be performed, stating that the number of Shares that an Adviser will receive will be equal to the quotient of (x) the sum of Advisory Fees elected by the Adviser for payment in Shares and (y) the greater of (i) the current NAV per share of the class of Shares the Adviser will receive, as determined by or under the supervision of the Fund's board of directors in accordance with section 23(b) of the Act and (ii) the current offering price of the class of Shares the Adviser will receive.

b. A provision ensuring that such Adviser must elect in advance of each Fee Calculation Period whether the Advisory Fees for that Fee Calculation Period will be payable in cash, Shares of the Fund, or some combination of cash and Shares of the Fund, and if a combination of cash and Shares, what the breakdown will be.

2. Any Shares received by an Adviser in lieu of cash payment of Advisory Fees will have the same rights and obligations as Shares of the same class issued to other investors in the Fund, except that an Adviser will mirror vote any Shares received in lieu of cash payment of Advisory Fees in the same proportion as the vote of all other shareholders that are not (i) an Adviser or its control affiliates, and (ii) to the Adviser's knowledge, affiliates of the Adviser (excluding control affiliates), for so long as the Adviser serves as the investment adviser to the Fund. The Adviser will not receive preferential voting, dividend or liquidity rights with respect to its Shares and will be subject to the same fees and expenses applicable to the Fund's other shareholders in the relevant class.

3. Each Fund will disclose in its registration statements and proxy statements (i) that its Adviser may be compensated in Shares in lieu of cash payments in reliance on the relief, (ii) that its Adviser will commit not to sell any Shares received in lieu of a cash payment of Advisory Fees for at least 12 months from the date of issuance, except in exceptional circumstances (in such a case, the Adviser will keep a

record of the reason for selling the Shares within 12 months and the records will be maintained and preserved in accordance with rule 204-2(e)(1) under the Advisers Act), and (iii) any potential risks related to relying on the relief. For any Fee Calculation Period during which the Adviser has elected to receive all or a portion of its Advisory Fees in Shares, the Fund will post a notice to that effect on the Fund's website. The Fund will maintain and make publicly available on the Fund's website a historical record of how the Adviser was compensated for each Fee Calculation Period during the Fund's last three fiscal years. The Fund will include, in response to any item on the applicable form for registration of securities requiring a description of the Adviser's compensation (currently Item 9 of Form N-2), a cross-reference noting the availability of such historical information on the Fund's website.

4. The requested relief will expire on the effective date of any Commission rule under the Act that provides relief addressing the ability of closed-end investment companies to pay their investment advisers their advisory fees in shares in lieu of paying an equivalent amount in cash.

By the Commission.
