Extension:

Form N-SAR, SEC File No. 270-292, OMB Control No. 3235-0330.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Form N-SAR (OMB Control No. 3235-0330, 17 CFR 249.330) is the form used by all registered investment companies with the exception of face amount certificate companies, to comply with the periodic filing and disclosure requirements imposed by Section 30 of the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act"), and of rules 30a-1 and 30b1-1 thereunder (17 CFR 270.30a-1 and 17 CFR 270.30b1-1).

The information required to be filed with the Commission assures the public availability of the information and permits verification of compliance with Investment Company Act requirements. Registered unit investment trusts are required to provide this information on an annual report filed with the Commission on Form N-SAR pursuant to rule 30a-1 under the Investment Company Act, and registered management investment companies must submit the required information on a semi-annual report on Form N-SAR pursuant to rule 30b1-1 under the Investment Company Act.

The Commission estimates that the total number of respondents is 3,480 and the total annual number of responses is 6,180 ((2,700 management investment company respondents × 2 responses per year) + (780 unit investment trust respondents × 1 response per year)). The Commission estimates that each registrant filing a report on Form N-SAR would spend, on average, approximately 14.31 hours in preparing and filing reports on Form N-SAR and that the total hour burden for all filings on Form N-SAR would be 88,436 hours.

The collection of information under Form N-SAR is mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an email to: PRA_Mailbox@sec.gov.

Dated: July 14, 2010.

Florence E. Harmon,
Deputy Secretary.
