Title: RUS Form 675, Certification of Authority.

OMB Control Number: 0572-0074.

Expiration Date of Approval: November 30, 2022.

Type of Request: Revision of a currently approved collection.

Abstract: The Rural Utilities Service manages loan programs in accordance with the Rural Electrification Act of 1936, as amended (7 U.S.C. 901 *et seq.*) (RE Act). A major factor in managing loan programs is controlling the advance of funds, including assuring that actual borrowers receive their funds. The OMB Circular A-123, Management Accountability and Control, provides that information should be maintained on a current basis and that funds should be protected from unauthorized use. The use of RUS Form 675 allows effective control against unauthorized release of funds by providing a list of authorized borrower signatures against which signatures requesting funds are compared. The Form 675 allows borrowers to keep RUS up to-date of changes in signature authority and controls release of funds only to authorized borrower representatives.

Respondents: Not-for-profit institutions; Business or other for-profit.
