Columbia Gas Transmission Corporation; Notice of Compliance Filing

July 19, 2001.

Take notice that on July 12, 2001, Columbia Gas Transmission Corporation (Columbia) tendered for filing a compliance filing in Docket No. RP01-432.

On June 27, 2001, the Commission issued an order in the above referenced docket (June 27 Order). The Commission noted, however, that a pipeline must demonstrate that the filed for service "could not be provided under a generally applicable tariff." The Commission also found that Columbia "had not provided sufficient information for other shippers to evaluate the operational impact of Columbia's proposed service." Columbia therefore was ordered to file the supporting information within 15 days. Columbia is submitting the instant filing in compliance with these directives.

Columbia states that copies of its filing have been mailed to all parties on the official service list in this proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to

the proceedings. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

Columbia Gas Transmission Corporation; Notice of Compliance Filing

July 19, 2001.

Take notice that on July 12, 2001, Columbia Gas Transmission Corporation (Columbia) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, Sub First Revised First Revised Sheet No. 500B bearing a proposed effective date of June 1, 2001.

Columbia states that the instant filing is being made to comply with an Order (Order) issued by the Commission on June 27, 2001. On May 29, 2001 Columbia made a filing with the Commission to re-file service agreements with FirstEnergy Trading Services Inc (FirstEnergy) as non-conforming service agreements to be effective June 1, 2001. The Order accepted the filing conditioned on Columbia re-filing Sheet No. 500B. In the May 29, 2001, filing Columbia inadvertently neglected to list the "Docket No." applicable to the FirstEnergy contracts. The tariff sheet in the instant filing is being made to correct this oversight.

Columbia states that copies of its filing have been mailed to all firm customers, interruptible customers, and affected state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's

Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Dominion Transmission, Inc.; Notice of Compliance Filing

July 19, 2001.

Take notice that on July 12, 2001, Dominion Transmission Inc. (DTI) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, with an effective date of June 27, 2001:

First Revised Sheet No. 1132
First Revised Sheet No. 1133
First Revised Sheet No. 1134

DTI states that the filing is being made in compliance with the Commission's Letter Order, dated June 27, 2001, in Docket No. RP01-359-001.

DTI states that First Revised Tariff Sheets Nos. 1132-1134 eliminate the stranded cost tracking mechanism contained in Section 18.2.B of the General Terms and Conditions of DTI's FERC Gas Tariff.

Section 18.2 of the General Terms & Conditions requires DTI to make quarterly stranded cost filings. On May 15, 2001, DTI requested a waiver of the requirement to return excess collections received through the stranded cost tracking mechanism. In support of its request, DTI stated that the contracts responsible for the stranded costs have expired on their own terms. The Commission granted the waiver but directed DTI to eliminate Section 18.2.B because it was no longer needed.

DTI states that copies of its letter of transmittal and enclosures have been served upon the parties to this proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section

154.210 of the Commission's Regulations.
