

and Budget ("OMB") extend its approval (with modifications) of a collection of information under the Paperwork Reduction Act. The purpose of the information collection is to enable the PBGC to pay benefits to participants and beneficiaries in plans covered by the PBGC insurance program. This notice informs the public of the PBGC's intent and solicits public comment on the collection of information.

(For TTY and TDD, call 800-877-8339 and request connection to 202-326-4040).

**DATES:** Comments should be submitted by November 18, 2002.

**FOR FURTHER INFORMATION CONTACT:** Catherine B. Klion, Attorney, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026, 202-326-4024. (TTY/TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4024.)

**SUPPLEMENTARY INFORMATION:** The PBGC intends to request that OMB extend its approval (with modifications) of a collection of information needed to pay participants and beneficiaries who may be entitled to pension benefits under a defined benefit plan that has terminated. The collection consists of information participants and beneficiaries are asked to provide in connection with an application for benefits. In addition, in some instances, as part of a search for participants and beneficiaries who may be entitled to benefits, the PBGC requests individuals to provide identifying information that the individual would provide as part of an initial contact with the PBGC. All requested information is needed to enable the PBGC to determine benefit entitlements and to make appropriate payments. The collection also includes pages on the PBGC's web site, [www.pbgc.gov](http://www.pbgc.gov), that, for certain large plans, provide respondents with specific information about their pension plan and enable them to obtain a rough estimate of their benefit, either by using an online benefit estimate calculator or by completing an online form and

submitting it to the PBGC to compute an estimate.

The existing collection of information under the regulation was approved under control number 1212-0055 (expires February 28, 2003). The PBGC intends to request that OMB extend its approval for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The PBGC estimates that 125,750 benefit application or information forms will be filed annually by individuals entitled to benefits from the PBGC and that the associated burden is 69,500 hours (an average of about one-half hour per response) and about \$46,500. The PBGC further estimates that 5,500 individuals annually will provide the PBGC with identifying information as part of an initial contact and that the associated burden is 1,500 hours (an average of about one-quarter hour per response) and \$1,100. Thus, the total estimated annual burden associated with this collection of information is 71,000 hours and about \$47,600.

The PBGC is soliciting public comments to—

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Issued at Washington, DC, this 12th day of September, 2002.

## PENSION BENEFIT GUARANTY CORPORATION

### Proposed Submission of Information Collection for OMB Review; Comment Request; Notice of Failure to Make Required Contributions

**AGENCY:** Pension Benefit Guaranty Corporation.

**ACTION:** Notice of intention to request extension of OMB approval.

**SUMMARY:** The Pension Benefit Guaranty Corporation ("PBGC") intends to request that the Office of Management and Budget ("OMB") extend approval, under the Paperwork Reduction Act, of the collection of information under Part 4043 of its regulations relating to Notice of Failure to Make Required Contributions (OMB control number 1212-0041; expires January 31, 2003). This notice informs the public of the PBGC's intent and solicits public comment on the collection of information.

**DATES:** Comments should be submitted by November 18, 2002.

**ADDRESSES:** Comments may be mailed to the Office of the General Counsel, suite 340, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026, or delivered to that address between 9 a.m. and 4 p.m. on business days. Copies of the collection of information may be obtained without charge by visiting or writing to the PBGC's Communications and Public Affairs Department at Suite 240 at the above address or by calling that office at 202-326-4040 during normal business hours. (For TTY and TDD, call 800-877-8339 and request connection to 202-326-4040). The regulations, forms, and instructions relating to the notice of failure to make required contributions may be accessed on the PBGC's Web site at <http://www.pbgc.gov>.

**FOR FURTHER INFORMATION CONTACT:** James L. Beller, Attorney, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026, 202-326-4024. (For TTY and TDD users, call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4040.)

**SUPPLEMENTARY INFORMATION:** Section 302(f) of the Employee Retirement Income Security Act of 1974 ("ERISA") and section 412(n) of the Internal Revenue Code of 1986 ("Code") impose a lien in favor of an underfunded single-employer plan that is covered by the termination insurance program if (1) any person fails to make a required payment

when due, and (2) the unpaid balance of that payment (including interest), when added to the aggregate unpaid balance of all preceding payments for which payment was not made when due (including interest), exceeds \$1 million. (For this purpose, a plan is underfunded if its funded current liability percentage is less than 100 percent.) The lien is upon all property and rights to property belonging to the person or persons who are liable for required contributions (*i.e.*, a contributing sponsor and each member of the controlled group of which that contributing sponsor is a member).

Only the PBGC (or, at its direction, the plan's contributing sponsor or a member of the same controlled group) may perfect and enforce this lien. Therefore, ERISA and the Code require persons committing payment failures to notify the PBGC within 10 days of the due date whenever there is a failure to make a required payment and the total of the unpaid balances (including interest) exceeds \$1 million.

PBGC Form 200, Notice of Failure to Make Required Contributions, and related filing instructions, implement the statutory notification requirement. Submission of Form 200 is required by 29 CFR 4043.81.

The collection of information under the regulation has been approved through January 31, 2003, by OMB under control number 1212-0041. The PBGC intends to request that OMB extend approval for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The PBGC estimates that it will receive 30 Form 200 filings per year under this collection of information. The PBGC further estimates that the average annual burden of this collection of information is 64.5 hours and \$12,900.

The PBGC is soliciting public comments to—

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the

use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-46491; File No. SR-CHX-2002-23]

### Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Chicago Stock Exchange, Incorporated Relating to Membership Dues and Fees

September 11, 2002.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 30, 2002, the Chicago Stock Exchange, Incorporated ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CHX. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CHX proposes to amend its membership dues and fees schedule ("Schedule"), effective July 2002, to reduce the fixed fee charged to specialists trading Nasdaq/NM securities. The text of the proposed rule change is available upon request from the Office of the Secretary, CHX, and the Commission.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CHX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed

rule change. The text of these statements may be examined at the places specified in Item IV below. The CHX has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The proposed rule change amends the Schedule by reducing the fixed fees charged specialists who trade Nasdaq/NM securities. Specifically, the proposal would charge a monthly fixed fee for each specialist firm trading Nasdaq/NM securities, calculated by taking the lowest monthly fixed fee charged that firm for the period January through June 2002, and reducing it by the Nasdaq/NM market data rebates earned by the firm in June 2002. This fee would first be applied for the month of July 2002 and thus would be included in monthly bills distributed in September 2002. The Exchange currently anticipates that the fee would remain in effect until December 31, 2002, but recognizes that it might be changed for a variety of reasons, such as to accommodate the entry of a new member firm into the trading of Nasdaq/NM Securities.<sup>3</sup>

##### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members.

#### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

#### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

#### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change establishes or changes a due, fee, or

<sup>3</sup> If a firm that has not previously traded Nasdaq/NM securities seeks, and receives, an appointment to act as specialist for one or more of those securities, that firm could not be charged a fee under this proposal until a new fee has been approved by the Exchange's Finance Committee and the Board.
