DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and approval under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments regarding these information collections are best assured of having their full effect if received by August 13, 2025. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Agricultural Marketing Service

Title: Regional Food Business Centers.
OMB Control Number: 0581–0335.

Summary of Collection: The Regional Food Business Centers are authorized and funded by Section 1001(b)(4) of the American Rescue Plan Act of 2021 (Pub. L. 117–2). Under Section 1001(b)(4), the Secretary is directed to provide assistance for maintaining and improving food and agricultural supply chain resiliency. AMS will enter into cooperative agreements with the RFBCs.

The Regional Food Business Centers will be the backbone for local and regional supply chain development and will offer coordination, technical assistance, and capacity building support to small and mid-sized food and farm businesses which will lead to more resilient, diverse, and connected supply chains. This program will provide a way for geographic regions to tailor development and investment to fit their needs, while recognizing that resilient supply chains are built upon strong relationships between individuals, communities, regions, sectors, and institutions. The RFBCs will support coordination in their region, fund technical assistance (TA) providers to offer business technical assistance to food and farm businesses and provide small grants to food businesses looking to expand or start in their region.

Need and Use of the Information: The information collected is needed to certify that RFBCs are complying with applicable program regulations, and the data collected is the minimum information necessary to effectively carry out the requirements of the program. The information collection requirements in this request are essential to administer and evaluate the program and to provide the necessary technical assistance to RFBCs and their subrecipients.

The data collection will include the collection of application information, quarterly reports, in addition to biannual interviews and quantitative information related to RFBCs (awardees), the TA providers (sub-awardees) and the businesses they fund.

Description of Respondents: State, Local, and Tribal Governments.

Number of Respondents: 12.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 358.

SUPPLEMENTARY INFORMATION: On January 18, 2023, the United States Department of Agriculture (USDA), Animal and Plant Health Inspection Service (APHIS), Veterinary Services (VS) published in the **Federal Register** a notice of intent ¹ (NOI), (88 FR 2877–2879, Docket No. APHIS–2022–0055) to prepare a programmatic environmental impact statement (EIS) on outbreak response activities for highly pathogenic avian influenza (HPAI) outbreaks in poultry for comment for 30 days. That same day, an announcement of the NOI was posted on USDA APHIS VS' stakeholder registry. The agency requested the public to comment on the NOI to help identify potential alternatives or any relevant information, studies, or analyses that USDA APHIS VS should consider in evaluating the potential impacts of the proposed alternatives on the quality of the human environment. Comments on the NOI were required to be received on or before February 17, 2023. All comments were considered and, when appropriate, discussed in the draft programmatic EIS.

On August 16, 2024, USDA APHIS VS published in the **Federal Register** a notice of availability (NOA) of the draft HPAI programmatic EIS ² (89 FR 66668–66669) for public review and comment for 45 days. Comments on the draft programmatic EIS were required to be received on or before September 30, 2024. On January 3, 2025, we reopened the comment period for an additional 14 days (90 FR 301), until January 17, 2025, to allow interested persons additional

time to prepare and submit comments. All comments were considered and addressed to the extent possible in the final programmatic EIS.

On April 18, 2025, USDA APHIS VS published in the **Federal Register** a NOA of the final HPAI programmatic EIS (90 FR 16493–16495). The final programmatic EIS, prepared in accordance with the Council on Environmental Quality's (CEQ's) April 2022 National Environmental Policy Act (NEPA) implementing regulations that went into effect on May 20, 2022, required a minimum 30-day waiting period between the time a final EIS is published and the time an agency makes a decision on an action covered by the EIS. The review period for the final HPAI programmatic EIS ended on May 19, 2025.

USDA APHIS has reviewed the final programmatic EIS and has concluded that the document fully analyzes the issues covered by the draft programmatic EIS and addresses the comments and suggestions submitted by commenters. This notice advises the public that the waiting period has elapsed, and USDA APHIS has issued a Record of Decision (ROD) to implement the preferred alternative described in the final programmatic EIS. The APHIS Administrator signed the ROD on May 23, 2025.

The ROD has been prepared in accordance with: (1) NEPA of 1969, as amended (42 U.S.C. 4321 *et seq.*), (2) the CEQ's NEPA implementing regulations (40 CFR parts 1500–1508), compliant with the April 2022 regulations that went into effect on May 20, 2022, (3) USDA's NEPA implementing regulations (7 CFR part 1b), and (4) USDA APHIS' NEPA Implementing Procedures (7 CFR part 372).

Done in Washington, DC, this 8th day of July 2025.

Michael Watson,

Administrator, Animal and Plant Health Inspection Service.
