

The information is usually submitted via hand delivery or U.S. Postal Service to the appropriate Agency office. Electronic submittal of information is also possible through email or USDA's Service Center eForms website.

The Agencies would not be assured that the security provided for loans is adequate, nor would the Agencies be certain that decent, safe, and sanitary dwelling or other adequate structures were being provided to rural residents as required by the different acts.

Estimate of Burden: RD is requesting approval for one respondent and a one-hour place holder in order for OMB to issue a control number for these forms. The burden for each of the forms will be accounted for within the individual Rural Development program collection packages using the form(s).

Respondents: Individuals or private entities; businesses or other for profit; not-for profit; small businesses; Federal, state, local or tribal governments; institutions of higher education or other research organizations and others.

Estimated Number of Responses per Respondent per Form in package:

Form No.	Responses per respondent
442-2, 442-3, 442-7, 442-22 ...	1

All responses to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record.

Title: 7 CFR 1980—Common Forms Package for Guaranteed Loan Forms.

OMB Number: 0570-New.

Expiration Date of Approval: Three years from approval date.

Type of Request: New information collection.

Abstract: The information collection under OMB Number 0575-New will enable the Agencies to effectively administer the policies, methods, and responsibilities for the funding and transmittal of post-award Federal funding for approved programs and projects.

The purpose of this information collection is to obtain information necessary to efficiently set up a functional system for the transmittal of payments after an applicant has been awarded funding.

Information for the RD forms and their usage in this collection package are included in this supporting statement.

Information will be collected by the field offices from applicants, consultants, lenders, and public entities. The collection of information is considered the minimum necessary to effectively evaluate the overall scope of the project.

Failure to collect information could have an adverse impact on effectively carrying out the mission, administration, processing, and program requirements.

Estimate of Burden: RD is requesting approval for one respondent and a one-hour place holder in order for OMB to issue a control number for these forms. The burden for each of the forms will be accounted for within the individual Rural Development program collection packages using the form(s).

Respondents: Respondents for this data are lending institutions and for-profit businesses but also include individuals and corporations.

Estimated Number of Responses per Respondent per Form in package:

Form No.	Responses per respondent
1980-19	1
1980-41	1
1980-43	1
1980-44	1

All responses to this notice will be summarized and included in the request

for OMB approval. All comments will become a matter of public record.

Getinge Group Logistics Americas LLC submitted a notification of proposed production activity to the FTZ Board (the Board) for its facility in Dayton, New Jersey within Subzone 49W. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on July 7, 2023.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/ component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via www.trade.gov/ftz.

The proposed finished products include: maintenance kits (printer; heater; sterilizer); water utility connector kits; caster kits; electrical parts service kits for boilers; sterilizer steam purifiers; steam and water gun sets; printer replacement kits; valve assembly kits; gas, oil, and water pump assemblies; gas, oil, air, and water filters and filter assemblies; liquid applicator attachments; repair kits (check valve; alarm; temperature probe; electronic display); voltage conversion kits; timer accessory packages; shelf add-on kits; and, surgical light assemblies with mounting and positioning hardware (duty rate ranges from duty-free to 5.7%, and from 15¢ each + 4% + 2.5¢/jewel to 45¢ each + 6.4% + 2.5¢/jewel).

The proposed foreign-status materials and components include: plastic components (hose assemblies; gaskets; O-rings; door seals; end caps; cover plates); rubber components (hose assemblies; gaskets; O-rings; door seals); labels (paper; plastic); zip lock bags;

printer paper; preprinted and unprinted paper tags and labels; paper gaskets; technical drawings and manuals; sealing graphite; fiberglass insulation; tubing ferrules; steel and stainless steel components (collars; couplings; studs; spacers; reducers; bushings; chain connectors); stainless steel components (screws; bolts; nuts; washers; screen mesh); steel components (washers; springs); retaining rings; roll pins; hose clamps, collars, and retaining clips; copper components (tubing; pipe; sterilizer fittings); brass components (pipe bushings; nipples; pigtails; unions; elbows; couplings; plugs; caps; tees; nuts; solenoid valves); bronze components (washers; ball valves); brass, bronze, and copper tanks and tank fittings; aluminum clamps and collars; base metal components (keys; hinges; pins; shafts); wheels and casters; door stops, brackets, and supports; steam boilers; steam separators; dosing pumps; axial fan heaters; mechanical spacers and standoffs; bronze water strainers; air and steam filters and filter assemblies; filter gaskets; sterilizer cleaning equipment; thermal printers; printer take-up rolls; brass, bronze, and stainless steel check valves; valves (safety; needle; pneumatic); steam traps; electrical adapters for valves; bearings and bearing assemblies (thrust; eccentric; sleeve); bearing races; polytetrafluoroethylene bearings; Woodruff keys; audible and visual alarms; variable resistors; arc suppressors; relays; electrical conduits; power supplies; switch panels; flash memories; wire harnesses; sensors (flow; level); pressure sensors and gauges; timers; warming shelves; arms for lighting (spring mounting; suspension; extension); ceiling light pendants; light-emitting diode surgical lights; computer screen fixtures; and, installation and operation manuals (duty rate ranges from duty-free to 9.9%, and from 15¢ each + 4% + 2.5¢/jewel to 45¢ each + 6.4% + 2.5¢/jewel). The request indicates that certain materials/ components are subject to duties under section 232 of the Trade Expansion Act of 1962 (section 232) or section 301 of the Trade Act of 1974 (section 301), depending on the country of origin. The applicable section 232 and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is August 22, 2023.

A copy of the notification will be available for public inspection in the

“Online FTZ Information System” section of the Board's website.

For further information, contact Juanita Chen at juanita.chen@trade.gov.

Dated: July 10, 2023.
