

Environmental Concern (ACEC) and suitability recommendations for wild and scenic rivers; range management and livestock grazing; lands with wilderness characteristics; oil, gas and mining; and special status species, among others. The Monticello Approved RMP/ROD is nearly the same as Alternative C in the Monticello Proposed RMP/Final EIS, published in September 2008, and carries forward the designation decision for seven ACECs, as described in the Proposed RMP/Final EIS.

The BLM Director's Office has dismissed or resolved each of the 20 protests received, thus allowing for immediate implementation of the Approved RMP. This ROD serves as the final decision by the Department of the Interior for the land use plan and implementation level decisions in the Approved RMP.

Jeff Rawson,

Acting State Director.
