SUPPLEMENTARY INFORMATION: The Commercial Fishing Safety Advisory Committee is a federal advisory committee which operates under the provisions of the Federal Advisory Committee Act, (Title 5, U.S.C. Its subcommittees or working groups may communicate throughout the year to prepare for meetings or develop proposals for the committee as a whole or to address specific tasks.

Each member serves for a term of three years. An individual may be appointed to a term as a member more than once, but not more than two terms consecutively. All members serve at their own expense and receive no salary or other compensation from the Federal Government, although travel reimbursement and per diem may be provided for called meetings.

The U.S. Coast Guard will consider applications for seven positions that will be vacant on June 2019 in the following categories:
