Needs and Uses: The information gathered through the “Scholar Survey” and “Sponsoring Facilities Survey” will inform the Department of Defense (DoD)

on the Science, Mathematics and Research for Transformation (SMART) Scholarship for Service Program. The purpose of these surveys is to gain a better understanding of scholars’ and sponsoring facilities’ (SF) perspectives on the program and its impact on the scholar. Both surveys are part of a third-party evaluation of the SMART Program. The purpose of the scholar survey is to gain a deep perspective of SMART scholars who are participating or have participated in the program, understanding their perspective on how the SMART program operates, identifying program processes that are working well, suggesting what could be improved in the program, and determining the detailed outcomes of the program. The purpose of the SF survey is to gain a perspective of DoD facilities who are participating in the program, understanding their perspective on how the SMART program operates, identifying program processes that are working well, and suggesting what could be improved in the program. Both surveys aim to help improve the SMART Program.

Affected Public: Individuals or households.

Frequency: Once.

Respondent’s Obligation: Voluntary.
