

Members. The Exchange proposes to implement this amendment to its Fee Schedule on July 1, 2014.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁶ in general, and furthers the objectives of Section 6(b)(4),⁷ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange believes that its proposal to decrease the pass through fee for Members' orders that yield Flag K from \$0.0030 per share to \$0.0026 per share represents an equitable allocation of reasonable dues, fees, and other charges among Members and other persons using its facilities because the Exchange does not levy additional fees or offer additional rebates for orders that it routes to PSX through DE Route. Prior to PSX's July 2014 fee change, PSX charged its members, which includes DE Route, a fee of \$0.0030 per share to remove liquidity using non-routable order types, which DE Route passed through to the Exchange and the Exchange charged to its Members. In July 2104, PSX decreased this fee from \$0.0030 per share to \$0.0026 per share.⁸ Therefore, the Exchange believes that its proposal to pass through a fee of \$0.0026 per share for orders that yield Flag K is equitable and reasonable because it accounts for the pricing changes on PSX. In addition, the proposal allows the Exchange to charge its Members a pass-through rate for orders that are routed to PSX. Furthermore, the Exchange notes that routing through DE Route is voluntary. Lastly, the Exchange also believes that the proposed amendment is non-discriminatory because it applies uniformly to all Members.

B. Self-Regulatory Organization's Statement on Burden on Competition

These proposed rule changes do not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that any of these changes represent a significant departure from previous pricing offered by the Exchange or pricing offered by the Exchange's competitors. Additionally, Members may opt to

disfavor EDGA's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed changes will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets. The Exchange believes that its proposal to pass through a fee of \$0.0026 per share for Members' orders that yield Flag K would increase intermarket competition because it offers customers an alternative means to route to PSX for the same price as entering orders on PSX directly. The Exchange believes that its proposal would not burden intramarket competition because the proposed rate would apply uniformly to all Members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from Members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(2)¹⁰ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

FOR FURTHER INFORMATION CONTACT: Paul Salgado, Office of SBIC Operations, at (202) 205–7605.

SUPPLEMENTARY INFORMATION: The SBIC Program is one of the financial assistance programs available through SBA. The SBIC Program was established under the Small Business Investment Act of 1958, as amended. SBICs are privately owned and managed investment funds, licensed and regulated by SBA, that use their own capital plus funds borrowed with an SBA guarantee to make equity and debt investments in qualifying small businesses.

In April 2002, SBA issued TechNote 9 to establish general guidelines regarding overline investments and to describe the process for obtaining SBA's prior written approval for overline investments pursuant to the SBA regulations governing the SBIC Program (13 CFR part 107). Since that time, significant changes to the overline regulations have occurred. In addition, SBICs must now obtain SBA's prior written exemption to make an overline investment. This TechNote 9 updates and replaces the April 2002 TechNote 9 to describe the general changes to the regulation and explain the process SBICs have to follow to obtain SBA's prior written exemption for an overline investment. SBICs are required to follow the procedures in TechNote 9 to obtain approval for an overline investment. The updated TechNote 9 is available at http://www.sba.gov/sites/default/files/files/TechNote_9.pdf. SBA is soliciting

comments and recommendations from the public on the updated TechNote 9 and will consider such comments when revising it. The SBA will not issue another notice in the **Federal Register** but will post the final revised version of the updated TechNote 9 on the SBIC Web site at <http://www.sba.gov/sites/default/files/files/SBICTechnote09.pdf>.
