DEPARTMENT OF VETERANS AFFAIRS

Allowance for Private Purchase of an Outer Burial Receptacle in Lieu of a Government-Furnished Graveliner for a Grave in a VA National Cemetery

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: Public Law 104-275 was
enacted on October 9, 1996. It allowed
the Department of Veterans Affairs (VA)
to provide a monetary allowance
towards the private purchase of an outer
burial receptacle for use in a VA
national cemetery. Under VA regulation
(38 CFR 1.629), the allowance is equal
to the average cost of Government-
furnished graveliners minus any
administrative costs to VA. The law
continues to provide a veteran's
survivors with the option of selecting a
Government-furnished graveliner for
use in a VA national cemetery where
such use is authorized.

The purpose of this Notice is to notify
interested parties of the average cost of
Government-furnished graveliners,

administrative costs that relate to
processing a claim, and the amount of
the allowance payable for qualifying
interments, which occur during
calendar year 2002.

FOR FURTHER INFORMATION CONTACT:

Karen Barber, Program Analyst,
Communications and Regulatory
Division (402B1), National Cemetery
Administration, Department of Veterans
Affairs, 810 Vermont Avenue, NW,
Washington, DC 20420. Telephone:

number).

SUPPLEMENTARY INFORMATION: Under 38
U.S.C. 501(a) and Public Law 104-275,
section 213, VA may provide a
monetary allowance for the private
purchase of an outer burial receptacle
for use in a VA national cemetery where
its use is authorized. The allowance for
qualified interments, which occur
during calendar year 2002, is the
average cost of Government-furnished
graveliners in fiscal year 2001, less the
administrative costs incurred by VA in
processing and paying the allowance in
lieu of the Government-furnished
graveliner.

The average cost of Government-
furnished graveliners is determined by
taking VA's total cost during a fiscal
year for single-depth graveliners which
were procured for placement at the time
of interment and dividing it by the total
number of such graveliners procured by

VA during that fiscal year. The calculation excludes both graveliners procured and pre-placed in gravesites as part of cemetery gravesite development projects and all double-depth graveliners. Using this method of computation, the average cost was determined to be \$153.79 for fiscal year 2001.

The administrative costs incurred by VA consist of those costs that relate to processing and paying an allowance in lieu of the Government-furnished graveliner. These costs have been determined to be \$9.50 for calendar year 2002.

The net allowance payable for qualifying interments occurring during

calendar year 2002, therefore, is \$144.29.

Approved: January 9, 2002.

Anthony J. Principi,

Secretary of Veterans Affairs.
