OMB Control Number: 2577-0066.

Description of the need for the information and proposed use: HUD uses a formula approach called the Performance Funding System (PFS) to distribute operating subsidies to housing agencies (HAs). This form provides structured format for HAs to use in developing an appropriate and justifiable projection of occupancy and to report various types of vacant units and, in particular, units that are vacant for circumstances and reasons beyond the control of the HA. The projected occupancy percentage that is developed and reported on this form is then used as one element in the Department's calculation of the HA's operating subsidy under the PFS. This information also is included in the HA's PFS operating subsidy submissions that are reviewed and approved by HUD and serve as the basis for obligating operating subsidies.

Agency form number: HUD-52728.
